GIVING HIS BENEFITS FOR HIS 100% SERVICE CONNECTED DISABILITY TO DONALD LEE KARR ALSO KNOWN AS DONALD RTCHARD KARR, WHO HAS BEEN COLLECTED PETITIONER'S 100% SERVICE CONNECTED DISABILITY BENEFITS SINCE 1973, FROM PETITIONER'S BENEFITS IN THE SECOND SIDE OF PETITIONER'S PROFILE, BENEFITS WHEN IN FACT DONALD LEE KARR WAS NEVER IN THE MILITARY,' Donald Richard Karr Jr. in pro per the Petitioner and the Plaintiff in this matter before the Court, for cause of action, to be heard by a Judge and Jury, that is including but not limited to, the Writ part of this Complaint, a Judge and magistrate, but not a magistrate alone. Petitioner is HOMELESS VETERAN. BECAUSE OF VETERANS AFFAIR AND GOODWILL SSVF KRISTIN REITER 505 East #rd Avenue, Spokane, Washington 99202. PETITIONER REFUSED HELP TO FIND HOUSING AND A PLACE TO LIVE INTENTIONALLY BECAUSE VETERANS AFFAIR WANTS TO KILL PETITIONER. PETITIONER GET CAN'T GET A PLACE BECAUSE KRISTIN REITER HAS PAID FOR NOTHING TO HELP PETITIONER'S MOVE OR STORAGE OR OTHERWISE. PETITIONER CONTACTED ST. VINCENT DE PAUL AND GOODWILL SSVF IN SPOKANE WHO SAID THEY WOULD HELP HIM, BUT MANO EFFORT TO THE DATE OF THE FILING OF THIS CASE HAS RESULTED IN A PLACE TO LIVE FOR PETITIONER. WHEN PETITIONER GAVE KRISTIN REITER THE RENTAL AND INFORMATION IN COEUR D' ALENE, IDAHO HE WANTED TO RENT SHE DID NOT CALL BACK TO HELP. PETITIONER IN THIS CASE HE HAS FILED WITH THE COURT IS TO OBTAIN HIS 100% SERVICE CONNECTED DISABILITY BENEFITS FROM 1973 THE HE HAS VETERANS AFFAIR 55 YEAR PROTECTED STATUS AT VETERANS AFFAIR AS A 100% SERVICE CONNECTED DISABLED VETERAN SINCE 1973. PETITIONER WORKS WITH THIS LITIGATION ONLY WHEN HE CAN UTILIZE SPACE OF THE NON PROFITS AND LIBRARIES BECAUSE HE HAS NO PLACE TO LIVE. THE EVIL MANAGERS OF VETERANS AFFAIR INCLUDE BUT ARE NOT LIMITED TO Doctor Robert Fisher MD and Kathy Malin who has had President Donald Trump during his first term to give Petitioner his benefits, over six years, but has done

nothing:

1. Petitioner needs eye surgery but the copay is \$4,500 from the doctors for the surgery has been ignored by Veterans Affairs and can not be scheduled by the Petitioner when in fact Petitioner has TRICARE Insurance who is acting in concert with Veterans Affairs to refuse Petitioner's benefits;

2. Petitioner has had a stroke and can not proceed with the medical needs to obtain his medical problem again because for the surgery he has been ignored by Veterans Affairs and can not be scheduled when in fact Petitioner has TRICARE Insurance who is acting in concert with Veterans Affairs to refuse Petitioner's benefits;

3. Petitioner has broken his glasses for seeing distance and close up but not get them replaced for two months, he has been ignored by Veterans Affairs and can not be scheduled when in fact Petitioner has TRICARE Insurance who is acting in concert with Veterans Affairs to refuse Petitioner's benefits;;

4. Petitioner is denied any medications to replace the medications that he needs that Medicare Insurance will not pay for, Petitioner has been ignored by Veterans Affairs and can not be scheduled when in fact Petitioner has TRICARE Insurance who is acting in concert with Veterans Affairs to refuse Petitioner's benefits;

5. Petitioner is not the only Veteran that is denied his benefits alone Butch Andrews waited three months to get a tooth pulled and finally a dentist pulled his tooth for \$25;

6. Don Frank who is a Vietnam Veteran, 80 years old who was 100% Service Connected Disabled for ten years and then down graded to 70% Service Connected Disabled when as an undisputed fact he was also in the 55 Year Protected Status at Veterans Affairs and can not be down graded to 70% Service Connected Disabled but the Veterans Affairs is controlled and managed by

Doctor Robert Fisher MD and Kathy Malin who are evil criminals that their Racketeering Crimes at Veterans Affairs that have a mandatory Federal Prison Sentence for each month that they use the computer to create false and fraudulent writings to take Veterans benefits from them for their TREASON, violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Veterans.

7. Rick Garnett, who is a Vietnam Veteran, 77 years old who is 90% Service Connected Disabled and has proof of the undisputed fact that he is 100% Service Connected Disabled is refused the additional 10% Service Connected Disabled but the Veterans Affairs is controlled and managed by Doctor Robert Fisher MD and Kathy Malin who are evil criminals that their Racketeering Crimes at Veterans Affairs that have a mandatory Federal Prison Sentence for each month that they use of the computer to create false and fraudulent writings to take Veterans benefits from them for their TREASON, violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Veterans.

Clearly there are many Veterans that are subjected to Veterans Affairs use of the computer to create false and fraudulent writings to take Veterans benefits from them for their TREASON, violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Veterans.

Donald R. Karr, Navy also known as Donald Ray Karr. Veterans Affairs illegal TRICARE payments that Veterans Affairs has taken from Petitioner's 100% Service Connected Disability benefits since 1973, when in fact Petitioner it is Petitioner's TRICARE, since 1973, that involves fraud, embezzlement,

failure to pay taxes for over fifty one (51) years, by Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, that said Respondents, and each of them, should be taken to Guantanamo Bay Detention Camp and Prison, Guantanamo, Cuba (GITMO) while they are held and prosecuted for their crimes against Petitioner and other financial and RICO Act related crimes. Racketeering Crimes at Veterans Affairs that have a mandatory Federal Prison Sentence for each month for TREASON, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, that these violations of the Petitioner's 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) since 1973, rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3). It is an undisputed fact that copay deductions from Petitioner's Benefits for TRICARE Insurance payments are illegal because it is Petitioner's Tricare Insurance since 1973. It is Donald R. Karr, Navy Veteran who does not have the TRICARE Insurance shown in Petitioner's Veterans Affairs Profile, because Petitioner Donald Richard Karr, Jr., has qualified for TRICARE Insurance in 1973 and therefore it is an undisputed fact 'Petitioner has TRICARE Insurance' and it

is using Petitioner's Social Security Number that was a number that was issued in the State Of Michigan, Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, that makes TRICARE illegal copay payments being deducted and taken from Petitioner's Veterans Affairs Disability monthly payments, are as an undisputed fact, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, violations of 18 U.S.C. § 1028, 18 U.S.C. § 1028A and 18 U.S.C. § 1029 because Donald R. Karr, Navy Veteran, is in the 100% Service Connected Disabled side of Petitioner's Profile and Petitioner is in the 30% non service connected disabled side of Petitioner's Profile. Petitioner receives no current 100% Service Connected Disability Benefits, including but not limited to, Petitioner has never received any education benefits since his first 1973 application, 1973 VA Application no. C XXXX6558. Petitioner has a C XXXX6558 issued in 1973. Petitioner's education benefits have all been paid to Donald R. Karr, Veterans Affairs Employee and Navy Veteran family, specifically his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, are violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, attended UCLA and UCLA Law School and his grandson Donald Ray Karr, are all violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, who went to UCLA with Petitioner's GI BILL Educational Benefits. The predicated acts alleged here cluster around

criminal infringement of the Veterans Affairs Employees, the Respondents, and each of them, over fifty one (51) years of theft of Petitioner's 100% Service Connected Veterans Benefits, that began on or about September 1973 when Donald R. Karr, Navy Veteran Veterans Affairs Employee illegally redirected Petitioner's 100% Service Connected Veterans Benefits, violations of 18 U.S.C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, trafficking in certain money laundering activities of the stolen Petitioner's veterans money and benefits, tampering with and retaliation against Petitioner to the date of filing this Petition, which Veterans Affairs, the Respondents, and each of them, for over fifty one (51) years RICO ACT Crimes include trying to KILL Petitioner for his benefits, including by overdose so the Respondents, and each of them, can obtain the cash value of Petitioner's Profile, Veterans Affairs and its Employees, have acted for their own unjust-enrichment and are not protected by the WESTFALL Act of 1988 28 U.S.C. Section 2679, that has been altered at Veterans Affairs to payout benefits of Petitioner to the Respondents, and each of them, others who have been enriched for said cash value, interstate mail fraud of stolen property, Obstruction of Justice, Obstruction of Criminal Investigations, obstruction of State and local law enforcement, peonage and slavery. See 18 U.S.C. §§ 2319, 2320, 1512, 1513, 2315, 1503, 1510, 1511 and 1581 thru 1588 respectively.

Other RICO predicated acts, although *appearing* to be isolated events, were actually part of the overall conspiracy and *pattern of Racketeering Activity* alleged herein, e.g. mail fraud and bank fraud. See 18 U.S.C. §§ 1341 and 1344, respectively.

The primary objective of the *Racketeering Enterprise* has been to inflict severe and sustained economic hardship upon the Petitioner, that in fact as an undisputed fact, began on or about September 1973 when Donald R. Karr, also known as Donald Ray Karr who died December 8<sup>th</sup>

2014, Navy Veteran illegally redirected Petitioner's 100% Service Connected Veterans Benefits, to his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, with the intent of impairing, obstructing, preventing and discouraging Petitioner from writing, publishing, investing and conducting judicial activism to stop these activities within the Veterans Affair by the Respondents, and each of them.

Petitioner, Donald R. Karr, Jr., had to get off the internet completely to draft his complaints and writs because starting in Kerrville, Texas where a Veterans Affair Police Officer lived above him at the apartments and he put 'logic bombs' in Petitioner's computers!

The fact that these Racketeering Crimes of Veterans Affair, the Respondents, and each of them, began in 1973 now ignore every effort to be transparent, follow the Rule of Law, by the continued production of false documents and false writings of Petitioner's ratings and status as a 100% Service Connected Disable Veteran since 1973, with VETERANS AFFAIRS DUTY OF GOOD FAITH AND FAIR DEALING! AS A STRICTLY MINISTERIAL DUTY OF CARE VETERANS AFFAIRS HAS DEMONSTRATED GROSS NEGLIGENCE EQUATING TO FRAUD; with imputed and gross negligence equating to FRAUD AND FALSE STATEMENTS under 18 U.S.C. § 1001 and violations by Veterans Affair Management, and it's Employees, the Respondents, and each of them, that have acted for their own unjust-enrichment voids the Obama, Trump and Biden Executive Orders in the operation of Veterans Affair and clearly these Executive Orders are unconstitutional as an undisputed fact.

The undisputed fact is Petitioner has observed the theft and money laundering at Veterans Affairs by its employees and Veterans Affairs Management. The examples are endless. Mario Alcorta worked in the Sterile Processing Lab with the Petitioner when Petitioner was a CWT worker or contract worker for Veterans Affairs at Veterans Affairs in Kerrville Texas. Mario Alcorta was stealing surgical scissors from the lab everyday, three or four pairs at a time, plus IV Pumps in a gym bag. When Petitioner made a Whistle Blower Complaint against Mario he was fired from his job in 2013. Mike Olsen was stealing shoes from the mail opening Veterans US Mail and taking what he wanted. When Petitioner again made a Complaint Veterans Affairs in 2015 Veterans Affairs stopped giving Petitioner his two pairs of diabetic shoes with six pairs of socks each pair and diabetic inserts for the shoes. Therefore there can be no doubt that organized crime is running Veterans Affairs, because if not, the security guards at Veterans Affairs who are Veterans Affairs Police, would not allow this to take place while they sanction this criminal behavior at Veterans Affairs as the Petitioner is witness at each Veterans Affairs facility he has been too!

Petitioner spent three (3) trips to the ER at Methodist Hospital Trauma Level Four Hospital in November 2013 and December 2013, that his Service Dog MAX woke him each time when he was five months old, saving Petitioner's Life, to keep from dying from Veterans Affairs Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas at Veterans Affairs from the overdose of medications that Petitioner was told to take this toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025%, every four (4) hours, with the specific oral instructions given to Petitioner of a medication that is a twelve (12) hour medication.

Petitioner's last doctor at Veterans Affairs in Kerrville, Texas was Dr. James Graham, MD that was a good Veterans Affairs doctor. When Petitioner came to Coeur d' Alene, Idaho he had to go to private doctors at Heritage Health for his doctors that his Medicare paid for, and he had to pay

the copay costs, because he could not take the chance of getting yet another Veterans Affairs doctor like Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas at Veterans Affairs, who again would try to KILL PETITIONER. Petitioner worked at Veterans Affairs in Kerrville, Texas as a contract labor worker in the Sterile Processing Lab where he made his rounds to all the Wards to bring them supplies each day. Petitioner is diabetic and he witness how Veterans Affairs doctors handle the diabetic Veterans during the time he worked in the hospital. Rather than giving the Veterans a heart doctor to diagnose their needs, as Petitioner has had here in Coeur d' Alene, the diabetic Veterans have their legs cut off when they reach the Petitioner's age is now seventy-six (76) years old (but will be seventy-seven (77) years old in February 2025) with the progression of the disease. Petitioner would go into the wards during his shift at the hospital witness what Veterans Affairs did to the Veterans. Then Petitioner would come home and break down crying at what he saw.

The Respondents, and each of them, in these actions by Veterans Affairs, and the Veterans Affairs Employees, and Veterans Affairs Employees Union AFGE (AFOL-CIO) membership and Intentional Veterans Affairs Doctors and Staff Malpractice to Murder Petitioner, continue with their undisputed attempts to murder Petitioner, that are specifically for the purpose to continue their embezzlement of payments of Petitioner's 100% Service Connected Disability 1973 benefits for their money laundering and identity theft violations.

Petitioner's TRICARE Insurance should be given to the Petitioner immediately because Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, has no legal rights to have it assigned to him from benefits that are the Petitioner's benefits. The refusal of Veterans Affairs payments of Petitioner's medical needs in the last over four (4) years, no payment of Choice Doctor or Private Doctors and Doctors Tests because it is an undisputed fact

they are paid for by Medicare, with no medical care payments to doctors or medications whatsoever from Veterans Affairs should be paid immediately the Petitioner has been 100% Service Connected Disabled since 1973.

DONALD R. KARR JR, the Petitioner, was deployed in Germany US Army USAREUR in the Special Weapons Depot, in April 1969 to December 1970 and he is the person that the 100% Service Connected Disability Benefits, GI BILL Educational and Chapter 34 Education Benefits and TRICARE Insurance were awarded to him in 1973.

DONALD R. KARR JR, the Petitioner, is shown as the sponsor of TRICARE Insurance, that shows Petitioner has TRICARE Insurance benefits, and that Petitioner's Social Security Number that he obtained in the State of Michigan, not California as Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff Donald R. Karr Jr. that Donald Lee Karr also know as Donald Richard Karr, has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, and Donald Lee Karr also know as Donald Richard Karr, has used Donald R. Karr Jr. Social Security Number. Donald Lee Karr also know as Donald Richard Karr, has used Donald R. Karr Jr. Social Security Number to obtain his TRICARE Insurance since on or about 1973, which is given to all 100% Service Connected Disabled Veterans that TRICARE Insurance will not give to Plaintiff/Petitioner Donald Richard Karr Jr. PETITIONER CONTACTED TRICARE INSURANCE CONTACTING KENDRA BECKER, MICHELLE FREDERICK AND MARY STILEN but they continue to give Petitioner's TRICARE Insurance when as an undisputed fact Petitioner is 100% Service Connected Disabled and he needs to have payment of copay for his eye surgery for the estimated copay cost of \$4,500, Veterans Affairs doesn't pay any of these charges and it is the obligation of TRICARE Insurance to pay, plus Veterans Affairs and TRICARE Insurance is obligated for payment of Heart Doctor Costs not paid, that Petitioner is still waiting for the results of the

stress and stroke he had to know exactly what happened when to emergency, Petitioner has to go to the dentist and still TRICARE has not made any effort to help Petitioner no dental costs have been paid by them and there are numerous other Health Care payment not paid by Veterans Affairs and TRICARE Insurance not paid but they are required to Pay that years of payments are causing Plaintiff Donald Richard Karr Jr. credit problems.

The TRICARE Insurance shows DONALD R. KARR JR, the Petitioner, as the sponsor and Donald Richard Karr that the second side of Petitioner's Profile that is 30% Service Connected Disability but the payment does not represent his family status. DONALD R. KARR JR, the Petitioner, is designated by TRICARE Insurance as Sponsor with his Social Security number as the Sponsor. The Patient is shown as Donald Richard Karr who in this case is also the Petitioner who is in the 30% Service Connected Disability side of Petitioner's Profile at Veterans Affairs. The Veterans Affairs Profile of DONALD R. KARR JR, has two (2) sides in Veterans Affairs, not one.

Petitioner who alleges Veterans Affairs Union Employees, the Respondents, and each of them, entered into a conspiracy with the Veterans Affairs Employees that began in 1973 and that continues to the date of filing this Petition. Veterans Affairs Union Employees, Donald R. Karr, also known as Donald Ray Karr, former Veterans Affairs employee in 1973, and his son Donald Lee Karr, the Respondents, and each of them, money laundering and identity theft violations in five (5) decades, plus they have stopped and blocked all attempts for Petitioner to obtain his GI Bill Educational Benefits or any Educational Benefits under Chapter 34 and redirected Petitioner's TRICARE Insurance in said conspiracy to ignore every effort to be transparent, follow the Rule of Law, producing false documents and false writings of Petitioner's ratings and status as a 100% Service Connected Disabled Veteran since 1973.

Now, since relocating to Coeur d'Alene, Idaho in 2016, because of Mike Olsen, a Veterans Affairs

Union Representative has, blocked Petitioner from receiving any additional shoes from Veterans Affairs since 2015. Petitioner can not get the correct size diabetic shoes, from Medicare because Veterans Affairs's vendor Wayne Clair Johnson, has not given Petitioner his Veterans Affairs shoes in 2020 and 2021 plus he has also stolen the 2022, 2023, 2024 and soon the 2025 shoes that he ordered in size 12 EEEEE for another customer he is selling the shoes to, Wayne Clair Johnson has never measured Petitioner for a pair of shoes, because he has stolen Petitioner's shoes violations of 18 U.S.C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, ten pairs of Veterans Affairs shoes, twelve (12) felonies for Impersonating Petitioner and committing TREASON, Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner that he should be taken into custody and taken to GITMO, Veterans Affairs has not sanctioned Wayne Clair Johnson's RICO Act and Racketeering operation and refused to replace said shoes for Petitioner. Veterans Affairs's vendor Wayne Clair Johnson refused to order Petitioner's correct size shoes based upon the fact Donald Richard Karr Jr., Petitioner has never been measured for his shoes for Petitioner to obtain his actual shoe size! The Petitioner's shoe size is based upon the needs of a third party person that Veterans Affairs's vendor Wayne Clair Johnson is ordering Petitioner's Veterans Affairs shoes for. Veterans Affairs's vendor Wayne Clair Johnson ordered Petitioner's shoes, that were paid for that Veterans Affairs in Spokane, who paid in 2020 and 2021 plus he is still obtaining Petitioner's diabetic shoes and will in 2025, for Veterans Affairs shoes for one of Wayne Clair Johnson's other customers. These are in fact violations by Veterans Affairs's vendor Wayne Clair Johnson of 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) by

the Respondents, and each of them, rising to the level of Racketeering Activities with demonstration of the Doctrine of Unclean Hands for Wayne Clair Johnson, doing business as Lake City Shoe Repair, representing Veterans Affair, ordered and received payment from Veterans Affair and MEDICARE for Petitioner for two (2) pair of MEDICARE shoes, four (4) pairs in 2020 and 2021 of Veterans Affair diabetic shoes for Petitioner that were not the correct size shoes to fit Petitioner paid for by Veterans Affair. The correct size shoes for Petitioner is 11 1/2 EEE measured by a Board Certified Foot Doctor.

The wrong size shoes from Veterans Affair and Petitioner did not get his Veterans Affair Diabetic Shoes from Wayne Clair Johnson, doing business as Lake City Shoe Repair. Wayne Clair Johnson, doing business as Lake City Shoe Repair, ordered Petitioner four (4) pair of Veterans Affair Shoes and two (2) Medicare shoes that will soon be six (6) pairs of Medicare shoes, for a total of six (6) pairs of shoes for 2020, 2021, 2022, 2023, 2024 and 2025 that did not fit Petitioner and Petitioner was not measured for the shoes by Wayne Clair Johnson, for a total of eighteen (18) pairs of diabetic shoes, or eighteen (18) felonies violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY. Wayne Clair Johnson, doing business as Lake City Shoe Repair resold the Veterans Affair shoes to another customer violating Petitioner's Civil Rights 18 U.S.C. § 241, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) as the Organized Crime Group that began with Donald Ray Karr also known as Donald R. Karr, Veterans Affair Union Employee in 1973, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH

AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, that began this Money Laundering and Identity Theft since 1973, rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) that Wayne Clair Johnson, has been impersonating Petitioner as a soldier, a violation 10 USC 906 Art 106 and can be held for Court Marshall for said actions for Impersonating a Soldier a Crime, plus violating Petitioner's Civil Rights 18 U.S.C. § 241, plus their violations under the Hobbs Act 18 U.S.C. § 1951 Robbery and Extortion rising to the level of Racketeering Activities under the RICO Act. RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) since 1973, rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3). The undisputed facts are that the actions of Wayne Clair Johnson and Mike Olsen has stolen twenty-two (22) pairs of diabetic shoes from Petitioner violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, in their conspiracy to impersonate the Petitioner as a Soldier, is Veterans Affairs, its Management including Robert Fisher MD Director of Veterans Affairs in Spokane, Washington and Kathy Malin Regional Director in Boise, Idaho that are conspiring to take Petitioner's 100% Service Connected Disabled benefits to Donald Lee Karr also known as Donald Richard Karr, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY

1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, the Respondents, and each of them, refuse Petitioner his medications because Doctor Robert Fisher MD and Kathy Malin Regional Director refuse to give Petitioner his three (3) month supply of Petitioner's medications that are on the list since Dr. Glen Volyn developed with Petitioner when on or about February 2018 Dr. Volyn was appointed by Veterans Affair to be his doctor by Veterans Affair.

The Respondents, and each of them, with the Petitioner's stolen shoes to sanction the actions of Wayne Clair Johnson doing business as Lake City Shoe Repair conspiracy with Veterans Affair, the Respondents, and each of them. Veterans Affair has refused to replace, or supply Petitioner any shoes since 2015 because of the scam from Mike Olsen at Veterans Affair and now Wayne Clair Johnson RICO Act violations.

Donald Richard Karr Jr., Petitioner should now obtain three (3) pairs of shoes, inserts and six (6) pairs diabetic shocks for each pair of shoes since 2015 from Veterans Affair, and now including 2025, because of the scam from Mike Olsen of Veterans Affair, Wayne Clair Johnson and Spokane Veterans Affairs violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, in these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, which show Petitioner's shoe size as '12 EEEEE, a false size of one of Wayne Clair Johnson's other customers', that as a reasonable good faith solution a total of thirty-six (36) pairs of diabetic shoes size 11-1/2 EEE, measured by a Board Certified Foot Doctor but not measured by Wayne Clair Johnson; thirty-six (36) pairs of diabetic shoes plus inserts size 11-1/2 EEE, and six (6) pairs diabetic shocks for each each pair of shoes size large from Veterans Affair.

Regardless of this failure by Veterans Affair that began in Kerrville, Texas in 2015 no effort by Veterans Affair has been made to the date of filing this Petition by Veterans Affair to make good

on the wrongful acts of Mike Olsen and Wayne Clair Johnson, doing business as Lake City Shoe Repair violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, with the specific diabetic shoes for replacement shown in "Exhibit III" herein that is attached hereto and incorporated herein by this reference. Petitioner asks that Court Prosecute the Respondents, and each of them, Criminally under 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) since 2015, plus Veterans Affairs Management, the Respondents, and each of them, for violations under the Hobbs Act 18 U.S.C. § 1951 Robbery and Extortion rising to the level of Racketeering Activities under the RICO Act.

The obstruction anticipated by Petitioner has now occurred in that federal case, in part by impersonation of Petitioner by the Respondents, and each of them, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE

**FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.**

It is apparent to the Petitioner, who hereby makes a formal offer to prove, that the instant action should not be prosecuted as a criminal matter because if demonstrable bias and prejudice by Veterans Affairs, the Respondents, and each of them.

Petitioner received no medical benefits from Veterans Affairs, because Spokane Veterans Affairs has stopped Petitioner's benefits because of Petitioner's Whistle Blower Complaints since early 2024, including no payments of doctors, no payments of tests over fifty-five (55) times or medications for Petitioner, as a 100% Service Connected Disabled veteran, that was awarded 100% Serviced Connected Disability Benefits in 1973, but never given the award. The award 100% Serviced Connected Disability Benefits in 1973, was diverted and given to Donald Lee Karr also known as Donald Richard Karr, violations of 18 U. S. the RICO Acts of the Respondents, and each of them, the undisputed Wrongful Acts, that started with diverting Petitioner's 100% Service Connected Disability benefits award and Donald Lee Karr going to Cal Poly Pomona State University 3801 W. Temple Avenue, Pomona, California 91768 with a fake Veterans Affairs ID that his father Donald R. Karr also known as Donald Ray Karr, Veterans Affairs Employee, created for his son Donald Lee Karr with Petitioner's information including Petitioner's Social Security Number and his son Donald Lee Karr picture requesting a copy of Petitioner's transcripts from Cal Poly Pomona. Petitioner was taking student loans to go to Cal Poly, because Petitioner was refused any money to go to school by Veterans Affairs from his GI BILL Benefits, on or about September 1973 at Veterans Affairs. Petitioner relied upon these representations, the false Veterans Affairs writings, fraudulent Veterans Affairs awards, which caused Petitioner's injury that includes but is not limited to, false writings, Libel, Slander and Defamation of Character plus Defamation of Petitioner's Civil Rights, as set forth herein. Veterans Affairs Employees, Respondents, and each of them, wrongful acts that have induced Petitioner to act in a matter which Veterans Affairs Employees, Respondents, and each of

them, wrongful acts have obtained the 100% Service-Connected Disability Benefits since 1973. Petitioner's 100% Service Connected Disability Benefits have been obtained through Petitioner's Profile over 26 times, that Petitioner's Profile was Electronically Turned On and Off without any upgrade of the Petitioner of his 100% Service Connected Disability benefits for Petitioner. The theft of Petitioner's 100% Service Connected Disability Benefits, over Twenty-Six (26) times since 1973 without intention of paying Petitioner plus Petitioner has been in Veterans Affairs Protected Status since 2003 which prevents Veterans Affairs from Changing Petitioner's 100% Service Connected Disability Status since 1973 and in fact Veterans Affairs is downgrading Petitioner's Benefits to 30% Service Connected Disability on Petitioner 30% Service Connected Disability side of his Veterans Affairs Profile.

Malpractice to Murder Petitioner continue with their undisputed attempts to murder Petitioner that are for the purpose of embezzlement of payments of Petitioner benefits violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, Petitioner, DONALD RICHARD KARR JR., has received no medications over the last four (4) years, no payment of Choice Doctor or Private Doctors and Doctors Tests because it is an undisputed fact they are paid for by Medicare, now over forty-five (45) times with no care or medications whatsoever from Veterans Affair.

Veterans Affair Employees, the Respondents, and each of them, are illegally in violation of the HOBBS Act 18 U.S.C. § 1951, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, an Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity, 18 U.S.C. §§ 1961(5), 1962(b) that began with the predicate acts including RICO ACT CYBER CRIMES 18 U.S.C. §§ 1028 & 1029, rising to the level of Racketeering Activities under the RICO Act, with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3)! It is an undisputed fact that 'Veterans Affair Organized Crime Group' runs Veterans Affair since on or about September 1973!

6. In fact Cody in the Pharmacy Spokane Veterans Affair, Michael J. Cox, Kaylie Ecker, Patient Advocate representing the Petitioner, and all under the supervision of Dr, Rebecca Meier, Chief of Staff, Spokane Veterans Affair [Spokane Veterans Affairs in fact, now continues trying the Premeditated the Murder of Petitioner, that began on or about October 23<sup>rd</sup> 2013, by Dr. Arturo Llanos, including by his drug overdose of Petitioner, which Petitioner spent three (3) trips to the ER

at Methodist Hospital Trauma Level Four Hospital, to keep from dying from Dr. Arturo Llanos overdose when Petitioner was told to take this toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025%, every four (4) hours, with the specific oral instructions given to Petitioner]. Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair utilized in his attempt to Murder Petitioner with the help of Dr. Arturo R. Llanos MD's nurse Juanita Lenzo Gold Team RN told Petitioner to take every four (4) hours with the specific oral instructions given to Petitioner, DONALD RICHARD KARR JR., for his 'medical exacerbated 100% Service Connected disability disease conditions' with his Chronic Bronchitis #6600, Asthma #6602, Emphysema #6603 and COPD #6604 Stage 2 disease conditions. Petitioner, DONALD RICHARD KARR JR., was told to take this toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025%, every four (4) hours, with the specific oral instructions given to Petitioner. The specific oral instructions given to Petitioner, for the purpose of killing Petitioner on or about October 23<sup>rd</sup> 2013, with said medication toxic mixture as a weapon to silently kill Petitioner because the Symbicort is a twelve (12) hour medication.

7. Petitioner, Donald Richard Karr Jr., joined the US Army during the Vietnam War in September 1967 on a delayed enlistment program, because of security clearance requirement, after he graduated from Downey High School in June 1966, he joined the Army officially in December 1967. Petitioner's DD 214 shows him as Donald Richard Karr, Jr., but Veterans Affair has changed Petitioner's name to Donald R. Karr so that Petitioner's benefits could be redirected to Donald R. Karr, Veterans Affair Employee in the Los Angeles Veterans Affair group, without the Petitioner's knowledge that Petitioner's benefits had been stolen, Donald Richard Karr, Jr., alleges that in 1973 Veterans Affair allowed Donald R. Karr, Navy Veteran and Union Veteran Affair Employee, to redirect and assume the identity of DONALD R. KARR JR. Petitioner. Veterans Affair redirected Petitioner's award for his 100% Service Connected Disability Award and GI BILL Education benefits

on or about September 1973 to Donald Lee Karr violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner. These actions, Petitioner, Donald Richard Karr, Jr., alleges in 1973 Veterans Affair allowed Donald R. Karr, Navy Veteran and Union Veteran Affair Employee, to redirect and assume the identity of DONALD R. KARR JR. Petitioner, and all the Veterans Affair employees are not protected by the WESTFALL Act of 1988 28 USC § 2679 and are in violation of 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government).

8. Petitioner, Donald Richard Karr, Jr. served during the Vietnam War! Petitioner, Donald Richard Karr, Jr. records were altered at Veterans Affair in 1973, used so that Donald R. Karr changed the Petitioner's address in the Veterans Affair Computer so that showed Petitioner lived at 22042 Robin Oaks Terrace, Diamond Bar, California 91765 (that is not an address in Diamond Bar but 22402 Robin Oaks Terrace, Diamond Bar, California 91765 the real address) so Donald Lee Karr could use the benefits of Petitioner, Donald Richard Karr, Jr. for his son Donald Lee Karr violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner. The undisputed fact is that Veterans Affair Employee Donald R. Karr was receiving his veterans benefits at 22402 Robin Oaks Terrace, Diamond Bar, California 91765. These specific RICO Act actions are Criminal and Civil RICO predicated acts of Veterans Affair employees membership and Intentional Veterans Affair Doctors

and Staff Malpractice to Murder Petitioner so Donald R. Karr, Navy Veteran and Veterans Affairs Union AFGE (AFOL-CIO) membership Employee, his son and grandson, DONALD LEE KARR violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, and DONALD RAY KARR violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, can continue to steal Petitioner's 100% Service Connected Disability Benefits benefits and the Respondents, and each of them, are not protected by the WESTFALL Act of 1988 28 USC § 2679!

9. The Petitioner, DONALD RICHARD KARR, JR. CXXXX6558, is 100% Service Connected Disabled Veteran that has had his benefits stolen that were established on or before September 1973 by the Veteran's Affairs is now a progression of his Primary Condition of Chronic Bronchitis 60% Service Connected Disability, medical condition. Petitioner has shown that he is in fact still 100% service connected disabled by his doctor, Dr. Glen Volyn, Petitioner's Veterans Affairs Choice doctor who has verified and reestablished that Petitioner's 100% service connected disabled conditions includes, but are not limited to, Chronic Bronchitis #6600 (which has been 100% Service Connected Disabled conditions from childhood, because Petitioner has small and large bronchial tubes, that are the reason Petitioner spent his sixth week of Basic Training in hospital in February 1968. Petitioner's allergy trigger of cottonwood trees, mold and cedar allergies causing Petitioner, DONALD RICHARD KARR, JR. CXXXX6558, Asthma #6602 may send him to the hospital because of his allergies), Petitioner has type 2 diabetes, COPD #6604 Stage 2 and PTSD establishing that Petitioner, DONALD RICHARD KARR, JR. CXXXX6558 medical conditions that Petitioner is in fact still 100% Service Connected Disabled veteran. Petitioner has a long history of being allergic to

mold and cedar, dating back into the 1960s and 1970s. Amy Marrs of Spokane Veterans Affairs who is a rating person for Veterans Disabilities at Veterans Affairs in Spokane, on or about July 6<sup>th</sup> 2017 gave Petitioner a rating of 100% service connected disabled. The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, son of Donald R. Karr, Veterans Affairs Employee and other Veterans Affairs Employees working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner his benefits since 1973 except minimum benefits while they use Petitioner's Profile for their own unjust enrichment stolen from Petitioner since on or about September 1973, are an undisputed fact stolen through money laundering Identity Theft violating the HOBBS Act 18 U.S.C. § 1951, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that has been an over fifty one (51) years Veterans Affairs RICO Organized Crime Group that have stolen Petitioner's benefits since on or about September 1973.

10. Petitioner has a history of Chronic Bronchitis due to small bronchial tubes. Petitioner's Chronic Bronchitis, that has turned into COPD for which Petitioner, DONALD RICHARD KARR,

Petitioner's Original Petition for 'Case of First Impression with Special Circumstances Including Veterans Affairs Attempted Murder of Petitioner Donald Richard Karr, Jr. CXXXX6558 - Obstruction of Justice with Stolen Petitioner's Veterans Benefits since 1973' Pattern of Racketeering Activity 18 U.S.C. §§ 1961(5), 1962(c) and (d) Writ of Mandamus 28 U.S.C.A. § 1651 (a) December 31<sup>st</sup> 2024 Page 46 of 239

JR. CXXXX6558 uses Anoro Ellipta. Amy Marrs of Spokane Veterans Affairs, who is a rating person, for rating Veterans Disabilities. on or about July 6<sup>th</sup> 2017, gave Petitioner a rating of 100% service connected disabled. The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, son of Donald R. Karr, Veterans Affairs Employee, and other Veterans Affairs Employees, working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner's 100% Service Connected Disability benefits to the date of filing this Petition with this Court.

11. Petitioner, DONALD RICHARD KARR, JR. CXXXX6558 has been diagnosed with type 2 diabetes and has family history of diabetes. Petitioner has right hand and left hand Dupuytren's disease condition, PTSD that was established by Amy Marrs of Spokane Veterans Affairs who is a rating person for Veterans Disabilities on or about July 6<sup>th</sup> 2017, gave Petitioner a rating of 100% non-service connected disabled plus it has been established Petitioner has Sleep Apnea, for which Petitioner, DONALD RICHARD KARR, JR. CXXXX6558 should be using a CPAP machine (not provided by Veterans Affairs and that Veterans Affairs in Spokane has refused to supply Petitioner the mask for his CPAC machine, with mask to clean in using the machine). The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr son of Donald R. Karr, Veterans Affairs Employee and other Veterans Affairs Employees working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner his benefits.

12. In August 2013 I met with a doctor supervising the tests prior to my tests and was told I was 100% Service Connected Disabled. It is illegal to continue to refuse my benefits they are Protected in the 55 Year Protected Status and the benefits are 100% Service Connected Disabled

since 1973, because I spent my sixth week of Basic Training in the hospital combining Chronic Bronchitis #6600 with mold and cedar allergies will cause you to stay in the hospital for a week at Ft. Ord during basic training in February 1968. The mold and cedar allergies with Petitioner having small and large bronchial tubes cause Petitioner's Chronic Bronchitis #6600, that has now developed into COPD #6604, which Petitioner uses Anoro Ellipta. On June 26<sup>th</sup> 2015 Veterans Affairs diagnosed Petitioner with type 2 Diabetes and Tinnitus.

13. Noting that Petitioner's Veterans Affairs Profile was modified to accept a new address that is not Petitioner's address, nor has Petitioner lived at 22042 Robin Oaks Terrace, Diamond Bar, California 91765, or 22402 Robin Oaks Terrace, Diamond Bar, California 91765, plus changing Petitioner's name in his Profile from DONALD RICHARD KARR JR, that appears on Petitioner's DD214 when he was discharge from the US Army showing his father's address as 20938 Flapjack Drive Diamond Bar, California 91765! The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, son of Donald R. Karr, Veterans Affairs Employee and other Veterans Affairs Employees working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner his benefits.

14. The failure by VARO EMPLOYEES INTENTIONAL FRAUD AND WRONG FULL ACTS OF VETERANS AFFAIRS, DUTY OF GOOD FAITH AND FAIR DEALING, AS A STRICKLY MINISTERIAL DUTY OF CARE VETERANS AFFAIRS HAS DEMONSTRATED GROSS NEGLIGENCE EQUATING TO FRAUD with imputed and gross negligence equating to FRAUD AND FALSE STATEMENTS under 18 U.S.C. § 1001 and violation of the Hobbs Act 18 U.S.C. § 1951 robbery and extortion rising to the level of Racketeering

Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) of the Petitioner's original application for benefits in 1973!

15. The actions of VARO EMPLOYEES AND VETERANS AFFAIR EMPLOYEES INTENTIONAL FRAUD AND WRONGFUL ACTS OF THE VETERANS AT VETERANS AFFAIRS, DUTY OF GOOD FAITH AND FAIR DEALING, AS A STRICTLY MINISTERIAL DUTY OF CARE VETERANS AFFAIRS HAS DEMONSTRATED GROSS NEGLIGENCE EQUATING TO FRAUD with imputed and gross negligence equating to FRAUD AND FALSE STATEMENTS under 18 U.S.C. § 1001 which did not stop at just stealing Petitioner's Benefits, but to also create false representations of 'Petitioner and caused him to loose his right to own a gun' a hunter and fisherman, with no legal basis to support such falsehoods of Petitioner. Petitioner should be paid Twenty-Five Billion Dollars (\$25,000,000,000 for damages for Libel, plus punitive damages for Fraud, Slander and Defamation of Dharacter. The basis for the Respondents, and each of them, doing this is to 'Murder the Petitioner' when they come to his residence and render him defenseless, like when they came across the haul from his apartment in Falls Creek at ONE AM in the morning with a 'battering ram and knocked the door down across the haul and leaving the neighbors wallet sitting next to the door'.

16. The Veterans Affair wrongful acts have caused and created Petitioner the reasoning for the drafting of this Petition, for Petitioner, DONALD RICHARD KARR JR., to obtain his benefits after over fifty one (51) years that only legal action, can be taken as method to obtain the payment for the many medical exacerbated disability, 100% Service Connected Disability disease conditions, with Petitioner's Chronic Bronchitis #6600, Asthma #6602, Emphysema #6603 and COPD #6604

Stage 2 disease conditions as part of his disabilities. Petitioner, DONALD RICHARD KARR JR., has received no medications over the last four (4) years, no payment of Choice Doctor or Private Doctors and Doctors Tests because it is an undisputed fact Petitioner's medical costs are paid for by Medicare which Petitioner pays the copay costs, now over forty-five (45) times, when in fact Cody in the Pharmacy Spokane Veterans Affair, Michael J. Cox, Kaylie Ecker, Patient Advocate representing the Petitioner, and all under the supervision of Dr, Rebecca Meier, Chief of Staff, Spokane Veterans Affair [Spokane Veterans Affairs in fact, now continues trying their Premeditated Murder of Petitioner that began on or about October 23<sup>rd</sup> 2013 when Dr. Arturo Llanos, tried to murder Petitioner, including by his overdose which Petitioner, so Petitioner spend three (3) trips to the ER at Methodist Hospital Trauma Level Four Hospital, to keep from dying] last represented that Veterans Affair would not treat Petitioner, DONALD RICHARD KARR JR., with prejudice, so that Petitioner's medical expenses would be paid by Veterans Affair for using Veterans Affairs doctors. Petitioner, DONALD RICHARD KARR JR., is a '100% Service Connected Disabled veteran' since 1973. The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, son of Donald R. Karr, Veterans Affair Employee and other Veterans Affair Employees working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner his benefits while they find their way to murder Petitioner. These RICO Act actions and are the undisputed fact clearly the refusals of Veterans Affair employees membership and Intentional Veterans Affair Doctors and Staff Malpractice to Murder Petitioner are not protected by the WESTFALL Act of 1988 28 USC § 2679!

17. The undisputed fact is Veterans Affair has presented in print outs, of Veterans Affair false information in Petitioner's Veterans Affair Profile. Veterans Affair, and its employees, that have

Petitioner's Original Petition for 'Case of First Impression with Special Circumstances  
Including Veterans Affair Attempted Murder of Petitioner Donald Richard Karr, Jr. CXXXX6558 -  
Obstruction of Justice with Stolen Petitioner's Veterans Benefits since 1973'

Writ of Mandamus 28 U.S.C.A. § 1651 (a) December 31<sup>st</sup> 2024 Page 50 of 239

placed in Petitioner's Profile false and fraudulent information without approval Petitioner, or without the authorization of Petitioner. Petitioner has been turned down by Veterans Affairs, so their standard award and ratings, that the Petitioner is always given, is the TOKEN 30% Nonservice-Connected Disability Asthma/Bronchial #6602 which is meaningless to clarify the disabilities of Petitioner, which Asthma/Bronchial #6602 is in fact not a rating or award for the Petitioner, because there is no such rating at Veterans Affairs, because this is a false writing, and fraudulent rating, for a disability at Veterans Affairs. The result of Petitioner's efforts, are that Veterans Affairs has given, as the award and rating by Veterans Affairs, that doesn't compensate Petitioner for his 100% Service Connected Disability Benefits for disabilities since 1973 that began in February 1968 when he was the hospital at Ft. Ord his sixth week of basic training.

18. Veterans Affairs, and Veterans Affairs Employees, will not delete Jun Ping Karr, is Petitioner's ex-wife is living at 2050 W. Killington Drive Apt 20, Coeur d' Alene, Idaho 83814 from his Profile. Jun Ping Karr, his ex-wife is not living at 2050 W. Killington Drive Apt 20, Coeur d' Alene, Idaho 83814 is not his Next of Kin and does not live in Coeur d' Alene or Idaho.

19. Petitioner went to Veterans Affairs in San Antonio in November 2011, with his award of his 100% Service Connected Disabled veteran award, from RENO Veterans Affairs from his surgery, Director Marie Weldon deleted and had Petitioner's award removed from his 100% Service Connected Disability benefits from his Veterans Affairs Profile, stolen from Petitioner since on or about September 1973 that is an undisputed fact stolen through money laundering Identity Theft violating the HOBBS Act 18 U.S.C. § 1951, violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with

S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 that have stolen Petitioner's 100% Service Connected Disability benefits since on or about September 1973.

20. Petitioner's 1973 award of 100% Service Connected Disabled veteran award from an up grade from RENO Veterans Affairs, Director Marie Weldon and her staff deleted and altered Petitioner's Veterans Affairs Profile, that was in the 55 year VA Protected Status and since Petitioner's 100% Service Connected Disability Benefits that can not be altered or changed since 2003, now remains as a false and fraudulent award rating and false writing on or about November 4<sup>th</sup> 2013. This fraudulent rating that is 30% Asthma #6602/ Chronic Bronchitis #6600 Service-Connected disabled classification (that Veterans Affairs calls #6602 Asthma/Bronchial, that it is an undisputed fact, is not in fact a rating at Veterans Affairs) that is Chronic Bronchitis #6600 at 60% and Asthma #6602 at 30% are in fact 90% Service Connected Disabled veteran award are shown falsely, as 30% Service-Connected disabled classification, when in fact these two (2) ratings are 90% Service Connected Disabled, plus Petitioner's mold, cedar and cottonwood trees allergies for Petitioner's 100% Service Connected disabled benefits award that were deleted from Petitioner, DONALD RICHARD KARR JR., Veterans Affairs Profile 30% Service Connected Disability side of his profile, award of 100% Service Connected Disabled veteran award from an up grade from RENO Veterans

Affair, Director Marie Weldon and her staff deleted and altered Petitioner's Veterans Affair Profile, that was in the 55 year VA Protected Status and since 1973 for Petitioner's 100% Service Connected Disability Benefits that can not be altered or changed since 2003 by Director Marie Weldon and her staff, are as an undisputed fact violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968 and Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.

21. Petitioner, DONALD RICHARD KARR JR., Veterans Affair Profile, under the direction of Director Marie Weldon has been changed, and she has stolen from Petitioner, since on or about September 1973, money as an undisputed fact stolen through money laundering Identity Theft violating the HOBBS Act 18 U.S.C. § 1951, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) that has been an over fifty one (51) year 'Veterans Affair RICO Organized Crime Group' that have stolen Petitioner's 100% Service Connected Disability benefits since on or about September 1973. Director Marie Weldon RICO Act violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, the RICO ACT violations and actions, that now

create a 'false writing and finding now creates a major hardship since November 2011' for Petitioner, DONALD RICHARD KARR JR., including medically and financially, because Veterans Affairs in Spokane refuses Petitioner's medications for four (4) years payments due that Veterans Affairs **Robert J. Fischer MD PACOG Medical Center Director in Spokane Washington Veterans Affairs dishonoring Veterans Service in his Anti-Veterans policies** is obligated for payment and treble and punitive damages. When Veterans Affairs in Spokane Washington and CBOC in Coeur d' Alene Idaho were given the opportunity to help Petitioner he got approximately 15 days of medications, not even enough medications to meet with his Veterans Affairs doctor the 14<sup>th</sup> of January 2025 appointment. Petitioner's glasses broken on one temple so Petitioner supplied the prescription and was told it would take 6-8 weeks to get his new distance glasses, now Petitioner can now drive with his limited access to obtain new glasses. Another career soldier told Petitioner he was refused to have a bad tooth pulled over three months and finally a dentist help who pulled his tooth for \$25.00; **Robert J. Fischer MD PACOG Medical Center Director in Spokane Washington Veterans Affairs dishonoring Veterans Service in his Anti-Veterans policies.**

22. Veterans Affairs charges Petitioner illegal copay charges because of intentional false ratings, that is 30% Service Connected Disability for Asthma #6602/ 60% Service Connected Disability Chronic Bronchitis #6600 Service-Connected disabled classification Veterans Affairs uses to make Petitioner qualify every year, when none of the other veterans have qualify every year, establishing a prejudice of Petitioner who is 100% Service Connected Disabled in this Veterans Affairs illegal copay for Petitioner's medications. Veterans Affairs refuses to pay for medical tests requested by Choice Doctor's and payment of Choice Doctors plus creating false information in 'Petitioner, DONALD RICHARD KARR JR., Profile'. Payments deducted are in fact in violation of RICO Act, violations of 18 U. S. These money laundering and identity theft actions of Veterans Affairs employees UNION membership and Intentional Veterans Affairs Doctors and Staff Malpractice to Murder Petitioner are not protected by the WESTFALL Act of 1988 28 USC § 2679!

23. Petitioner, DONALD RICHARD KARR JR., information shown falsely in Petitioner's Profile', include but are not limited to, that Petitioner is legally separated from his ex-wife Jun Ping Karr, who he has not seen or heard from in over twenty-four (24) years! Anyone can assume after twenty-four (24) years that Petitioner and Jun Ping are divorced, but Veterans Affairs has designated 'her as his next of kin' because they are trying to KILL Petitioner so Veterans Affairs employees can get the money with an 'identification they produce at Veterans Affairs' with someone else's picture claiming to be Jun Ping Karr. These are Criminal RICO predicated actions of Veterans Affairs employees membership and Intentional Veterans Affairs Doctors and Staff Malpractice to Murder Petitioner, are not protected by the WESTFALL Act of 1988 28 USC § 2679 for benefits stolen from Petitioner since on or about September 1973 are an undisputed fact stolen through money laundering Identity Theft violating the HOBBS Act 18 U.S.C. § 1951, violations of 10 U. Crimes Against Petitioner, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that has been 'an over fifty one (51) years Veterans Affairs RICO Organized Crime Group' that have stolen Petitioner's benefits since on or about September 1973.

24. Petitioner, DONALD RICHARD KARR JR., is not married to Jun Ping Karr, nor do they still communicate! The fact is Veterans Affairs says Jun Ping Karr is living at 2050 W. Killington Drive Apt 20, Coeur d' Alene, Idaho 83814, which is an undisputed fact, that it is in fact false, because her family lives on the East Coast of the United States. Her family would have no one living in Idaho or the West Coast that would cause them to be here! None of Jun Ping's family to live in Idaho and the address shown is the manager's office anyway at Riverstone Silver. Petitioner, DONALD RICHARD KARR JR., not aware of Jun Ping living in Idaho! This setup so the Veterans Affairs can produce a false ID at Veterans Affairs with someone else that works for Veterans Affairs, yet Robert J. Fischer MD PACOG Medical Center Director in Spokane Washington Veterans Affairs dishonoring Veterans Service in his Anti-Veterans policies conspires and is part of killing Veterans for their benefits.

25. Petitioner has asked Veterans Affairs in Spokane and in Coeur d' Alene, to change and correct this because it is not approved by Petitioner, several times over the past few years, including the fact it is an undisputed fact in over four (4) years that Petitioner, DONALD RICHARD KARR

JR., doesn't live at Riverstone Silver Apartments, nor has Jun Ping ever lived there. Petitioner does not live at Riverstone Silver Apartments! It is an undisputed fact that Petitioner, DONALD RICHARD KARR JR., does not live at 2005 W. Killington Drive Apt 201, Coeur d' Alene, Idaho 83814! Petitioner has not lived at 2005 W. Killington Drive Apt 201, Coeur d' Alene, Idaho 83814 in over four (4) years, but Spokane Veterans Affairs and Veterans Affairs CBOC clinic in Coeur d' Alene, Idaho 83814 as an undisputed fact, the clerks refuse to change this information, none of the clerks will change this! Petitioner, DONALD RICHARD KARR JR., ex-wife Jun Ping Karr, who he has not seen in twenty-four (24) years, is not Petitioner's next of Kin! This is shown illegally at Veterans Affairs in Petitioner, DONALD RICHARD KARR JR., Veterans Affairs Profile!

26. Petitioner's Veterans Affairs Profile has been setup by Veterans Affairs employees, without Petitioner, DONALD RICHARD KARR JR., approval of its content! Veterans Affairs employees refuse to correct Petitioner, DONALD RICHARD KARR JR., Veterans Affairs Profile so the false information in Petitioner Profile is corrected! 'Veterans Affairs employees are planning to murder Petitioner, DONALD RICHARD KARR JR., to collect his next of KIN benefits, producing a fake ID with Jun Ping Karr's name on it, for payment of his next of kin benefits! These actions of Veterans Affairs employees membership and Intentional Veterans Affairs Doctors and Staff Malpractice including their attempt to Murder Petitioner are not protecting Employees by the WESTFALL Act of 1988 28 USC § 2679!

27. Dr. Glen Volyn, Petitioner's Choice doctor, that was given to Petitioner as his doctor by Veterans Affairs, established Petitioner's 100% Service Connected Disabled conditions include, but are not limited to, Chronic Bronchitis #6600 (which has been from childhood because of Petitioner's small and large bronchial tubes; the reason Petitioner, DONALD RICHARD KARR JR., spent his sixth week of Basic Training in Ft. Ord hospital in February 1968, with the allergy trigger

of mold and cedar, plus cottonwood trees allergies, causing Petitioner's Asthma #6602 to send him to the hospital, type 2 diabetes, COPD #6604 Stage 2 and PTSD. Petitioner has a long history of being allergic to mold and cedar, dating back into the 1960s and 1970s. Petitioner has a history of Chronic Bronchitis #6600 due to small bronchial tubes. Petitioner's Chronic Bronchitis has turned into COPD #6604 Stage 2 for which Petitioner, DONALD RICHARD KARR JR., uses Anoro Ellipta. Petitioner, DONALD RICHARD KARR JR., has been diagnosed with type 2 diabetes and Tinnitus by Veterans Affairs in June 26<sup>th</sup> 2015, but did not receive an upgrade of 30% Service Connected Disabled. Veterans Affairs refused to give Petitioner an upgrade for the diabetic award Veterans Affairs claimed was non service connected when he has family history of diabetes. This is in fact a false writing, false and fraudulent finding to deny Petitioner's 100% Service Connected Disability benefits. Petitioner, DONALD RICHARD KARR JR., has right hand and left hand Dupuytren's disease condition, PTSD and Sleep Apnea for which Petitioner, DONALD RICHARD KARR JR., needs to use a CPAP machine that is an automatic 50% Service Connected Disability upgrade (Veterans Affairs will not provide and refuses Petitioner his request from Veterans Affairs).

28. The Veterans Affairs refusal of Petitioner's benefits payments of Petitioner, Donald Richard Karr, Jr. award of 100% Service Connected Disability Benefits continue to this date of filing of this Petition. Petitioner's payments are as an undisputed fact, paid to Donald R. Karr, Veterans Affairs Employee son Donald Lee Karr violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, and his family, have all benefited in said payments including his son Donald Lee Karr that Donald R. Karr, Veterans Affairs Employee, set up for Veterans Affairs payments since 1973 violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968. Donald Lee Karr, a violation of 10 U. S.C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, his wife, Jean Susan Karr, Donald Lee Karr's mother, and his son Donald Ray Karr, his wife have committed undisputed acts of Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084, in said payments that are violations of Petitioner's Civil Rights pursuant to Civil Rights 18 U.S.C. § 241 and 42 U. S. C. §§ 1983 and 1985, THAT ARE IN FACT RACKETEERING ACTIVITIES AGAINST VETERANS RIGHTS, GROSS NEGLIGENCE EQUATING TO FRAUD, FALSE STATEMENTS AND FRAUDULENT DOCUMENTS AND FALSE WRITINGS, IMPUTED NEGLIGENCE, OBSTRUCTING JUSTICE, AS PREDICATE ACTS OF RACKETEERING ACTIVITIES UNDER THE RICO ACT AGAINST THE PETITIONER BY ALL RESPONDENTS, with violations of the HOBBS Act 18 U.S.C. § 1951 and RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) with the consent of Veterans Affair.

29. Donald R. Karr, Navy Lifer (twenty years of service in the Navy) Veteran, Veterans Affair Employee, TRICARE Insurance shown in Petitioner's Profile is Petitioner's TRICARE Insurance, from Petitioner's fall on the ICE on February 26<sup>th</sup> 2018 when TRICARE Insurance started making one year's of payments of Petitioner's medical costs. The Identity Theft [18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the

act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government)] and Money Laundering of Petitioner, Donald Richard Karr, Jr. award of his 100% Service Connected Disability Benefits from his Veterans Affairs Profile is an undisputed fact that continue to this day of filing this Petition.

30. These payments from Veterans Affairs began in 1973 with the help of the Veterans Affairs Employees, the Respondents, and each of them, the Agents, working in and with Veterans Affairs AFGE (AFOL-CIO), including third party suppliers. The undisputed fact is no one at Veterans Affairs should have been allowed to access Petitioner's information at all for the purpose positioning themselves to obtain benefits stolen from Petitioner since on or about September 1973 are an undisputed fact stolen through money laundering Identity Theft violating the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that has been an over fifty one (51) year Veterans Affairs RICO Organized Crime Group that have stolen Petitioner's benefits since on or about September 1973.

31. Petitioner, when his initial filing for his benefits in 1973, was a US Army Reservist in the 426<sup>th</sup> Civil Affairs Battalion AIRBORNE US Army Reserve Unit, when it is an undisputed fact Donald R. Karr, Navy Veteran and Veterans Affairs Employee, his son, DONALD LEE KARR, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH

SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, prevented Donald Richard Karr Jr. from exercising his common law rights, statutory rights, and constitutional rights from the very act of selecting Veterans Affairs with the condescending nature on tone of the ridicule, embarrass, harass, and intentionally intimidated Petitioner, that prevented the Donald Richard Karr Jr., Petitioner, from exercising his rights. These intentional actions and Veterans Affairs employees are not protected by the WESTFALL Act of 1988 28 USC § 2679 and are undisputed acts of TREASON, Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084. THESE ACTIONS OF VETERANS AFFAIR IN FACT ARE RACKETEERING ACTIVITIES AGAINST VETERANS RIGHTS, GROSS NEGLIGENCE EQUATING TO FRAUD, FALSE STATEMENTS AND FRAUDULENT DOCUMENTS AND FALSE WRITINGS. IMPUTED NEGLIGENCE, OBSTRUCTING JUSTICE, Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084, AND CONSPIRACIES TO OBSTRUCT JUSTICE AS PREDICATE ACTS OF RACKETEERING ACTIVITIES UNDER THE RICO ACT AGAINST THE PETITIONER BY ALL RESPONDENTS!

#### **B Factual Circumstances.**

Petitioner is unable to obtain his original award that was stolen in 1973 of his award for 100% Service Connected Disability rating, because Veterans Affairs will not rate Petitioner more than 30% non service connected disabled, because it would cause the 100% Service Connected side, that Donald R. Karr, a former Union Employee at Veterans Affairs, his son, and his grandson, are in. This 100% service connected side. Donald R. Karr, a former Union Employee at Veterans Affairs, his son Donald Lee, and his grandson, are in would collapse stopping their payments of Petitioner's 100% Service Connected Disability Benefits. The result would be Petitioner would be able to be paid his

100% Service Connected Disabled obtaining his payment from Veterans Affair for the first time since 1973, that would conform to Petitioner's actual disabilities in the original 1973 award for Petitioner.

Petitioner's disabilities with his primary disability of Chronic Bronchitis #6600 of 60% Service Connected Disabled, Asthma #6602 of 30% Service Connected Disabled as his secondary disability, with mold and cedar allergies (that would mean he would be rated as 10% Service Connected Disability for the allergies for a total of the 1973 award of 100% Service Connected Disability) that were from the barracks years at Fort Ord in basic training where Petitioner spent his sixth week of basic training in the hospital is the reasoning why Petitioner's award rating was 100% Service Connected Disabled in 1973. Asthma #6602 does cause you to go to the hospital for a week but Chronic Bronchitis #6600 will. Chronic Bronchitis #6600 will cause you to stay in the hospital for a week, because in Petitioner's case he has small and large bronchial tubes, that has now developed into COPD #6604. The COPD # 6604 in Petitioner's case he uses Anoro Ellipta medication for only COPD #6604 patients. In June 2015 Veterans Affair diagnosed Petitioner with type 2 Diabetes and Tinnitus which is 30% Service Connected Disability rating but Veterans Affair has always refused Petitioner any upgrade from 30% since 1973 for over fifty one (51) years, because the Veterans Affair Organized Crime Group controls Veterans Affair.

1. Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair utilized in his attempt to Murder Petitioner, with the help of Dr. Arturo R. Llanos MD's nurse Juanita Lenzo Gold Team RN, told Petitioner to take every four (4) hours, with the specific oral instructions given to Petitioner, DONALD RICHARD KARR JR., by Dr. Arturo R. Llanos MD's nurse Juanita Lenzo Gold Team RN for Petitioner's proven medical exacerbated disability disease conditions with Petitioner's Chronic Bronchitis #6600, Asthma #6602, Emphysema #6603 and COPD #6604 disease conditions.

Petitioner, DONALD RICHARD KARR JR., was told to take this toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025%, every four (4) hours, with the specific oral instructions, given to Petitioner to KILL PETITIONER with the orders from Director Marie L. Weldon San Antonio Veterans Affair. The specific oral instructions given to Petitioner, for the purpose of 'killing Petitioner on or about October 23<sup>rd</sup> 2013', with said medication toxic mixture as a weapon to silently kill Petitioner, because the Symbicort is a twelve (12) hour medication, these actions by Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair are in fact OBSTRUCTING JUSTICE, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, This was nurse Juanita Lenzo Gold Team RN part in trying to Murder Petitioner so she could get her brother a CWT Job at Kerrville Veterans Affair.

The actions of Veterans Affair employees membership and Intentional Veterans Affair Doctors and Staff Malpractice to Murder Petitioner are not protected by the WESTFALL Act of 1988 28 USC § 2679!

3. Veterans Affair Management have redirected Petitioner's 1973 award of his 100% Service Connected Disability Benefits to Donald R. Karr, Navy Veteran and Veterans Affair Employee, for his son, DONALD LEE KARR when his son, assumed the identity of Petitioner, Donald Richard Karr, Jr. In 1973 after Donald Lee Karr graduated from high school, so that. Donald Lee Karr could use Petitioner's benefits to go to UCLA and UCLA Law School, plus send his son Donald Ray Karr to go to UCLA when in fact the stolen benefits, from an active duty member of the military holding themselves out to be Petitioner and his family so Donald Ray Karr could go to UCLA on Petitioner's benefits. Donald Lee Karr obtained Petitioner's benefits in 1973, that has now continued to the date of filing this Petition since 1973. The Respondents, and each of them, in the monthly violations of the HOBBS Act 18 USC § 1951 & RICO PREDICATED Acts, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, are as an undisputed fact violations of Petitioner's Civil Rights pursuant to 18 U. These actions of Veterans Affairs employees membership and Intentional Veterans Affairs Doctors and Staff Malpractice to Murder Petitioner are not protected by the WESTFALL Act of 1988 28 USC § 2679!

4. The Supreme Court set forth some guidelines on writs of mandamus in *Kerr v. United States District Court*, 426 U.S. 394, 96 S. Ct. 2119, 48 L. Ed. 2d 725 (1976), (man-dame-us) n. Latin for "we order," a writ (more modernly called a "writ of mandate") which orders a public agency or governmental body to perform an act required by law when it has neglected or refused to do so. Veterans Affairs refuses Petitioner his benefits in 1973 assigning said benefits to Donald R. Karr, Veterans Affairs Employee in 1973, for his son Donald Lee Karr. In San Antonio Veterans Affairs this Veterans Affairs prejudice of Petitioner Donald Richard Karr Jr., started again in November 2011 in San Antonio Veterans Affairs. The thirteen (13) years of Veterans Affairs prejudice of Petitioner, a total of over fifty-one (51) years, Veterans Affairs refusing Petitioner any benefits, except 30% non service connected benefits, no educational benefits, no payment of Choice Doctors or Tests requested by Choice Doctors, Hospital Emergency Room visits or Petitioner's medications as an undisputed fact has been illegal copay charges, TRICARE payments from Petitioner when in fact Petitioner does not qualify for TRICARE.

changed Petitioner's name to 'Donald Karr and Donald R. Karr' in his Veterans Affairs Profile so the Petitioner's benefits have been altered at Veterans Affairs so that Petitioner's benefits can be redirected (Petitioner's award for his 100% Service Connected Disability Award and benefits) on or about September 1973 to 'DONALD R. KARR Veterans Affairs employee' (who has assumed the identity of the Petitioner, Donald Richard Karr, Jr.) violations of 10 U. S. Petitioner, Donald Richard Karr, Jr. served during the Vietnam War from December 1967 to December 1973, plus his Army Reserve Military Service! Petitioner, Donald Richard Karr, Jr. records were altered at Veterans Affairs in 1973, changing Petitioner's name name to Donald Karr and Donald R. Karr so Petitioner's benefits could be used by Donald R. Karr, Veterans Affairs Employee, who lived at 22402 Robin Oaks Terrace, Diamond Bar, California 91765, also shown as 22042 Robin Oaks Terrace, Diamond Bar, California 91765 in the Veterans Affairs Computer (that is not an address in Diamond Bar) in Petitioner's Profile. 6. Petitioner, DONALD RICHARD KARR JR., is a '100% service connected disabled veteran' since 1973, but he has never been given his 100% Service Connected Disability Award, including his GI BILL for Educational benefits, and medical benefits, because they were given to Donald Lee Karr in violation of 10 U. Petitioner's Original Petition for 'Case of First Impression with Special Circumstances Including Veterans Affairs Attempted Murder of Petitioner Donald Richard Karr, Jr. CXXXX6558 - Obstruction of Justice with Stolen Petitioner's Veterans Benefits since 1973' Pattern of Racketeering Activity 18 U.S.C. §§ 1961(5), 1962(c) and (d) Writ of Mandamus 28 U.S.C.A. § 1651 (a) December 31<sup>st</sup> 2024 Page 98 of 239

Veterans Affair from Petitioner's social security and service connected disability benefits money, because Petitioner has been 100% Service Connected Disability Benefits since 1973, that were stolen by the Veterans Affair and its employees and Union Employees that should be paid to Petitioner in a minimum lump sum payment of \$750,000,000 because of the over fifty one (51) years of embezzlement of Petitioner's benefits when in fact in 2003 Petitioner's benefits were in the 55 year rule when Petitioner was 55 years old and his benefits can not be changed at Veterans Affair.

51. The illegal payments by Veterans Affair from Petitioner's that include stolen education benefits including seven failures by Veterans Affairs to pay Educational Benefits including Petitioner's 1973 G. I. Bill and Educational Benefits awarded pursuant to Petitioner but stolen by DONALD LEE KARR, and DONALD RAY KARR, that includes illegal payments by Veterans Affair without Petitioner's authorization for a total of minimum of \$15,600,000 damages loss of Petitioner's education funds that were as an undisputed fact not the benefits of DONALD LEE KARR, and DONALD RAY KARR, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, that will preclude Petitioner from using his 1973 GI BILL EDUCATION MONEY FOR HIMSELF OR CHILDREN.

52. The over fifty one (51) years of fraudulent Veterans Affair awards for 30% service connected benefits which Petitioner received nothing as Chapter 31 Educational Benefits, although Petitioner requested his benefits, would establish twenty-six (26) times for a total, back educational payments, refusal by Veterans Affair since 1973 for a total of \$15,600,000 plus the above shown \$15,600,000 for a total of minimum of \$46,800,000 Lump Sum payment with treble damages to

Petitioner for the stolen benefits for a total payment of \$61,400,000 total damages plus punitive damages for false and fraudulent writings for over fifty one (51) years for \$614,000,000 for stolen benefits due immediately to bring Petitioner current plus Petitioner is entitled to Sanction for treating him with prejudice at Veterans Affairs as a 100% Service Connected Disabled Veteran who earned the benefits as a Vietnam Veteran serving active duty from on or about December 28, 1967 to December 21<sup>st</sup> 1970. If damages are not paid and Petitioner is not upgraded by Veterans Affairs then a Judge and jury may hear this matter when Petitioner petitions the court for a hearing.

53. The past over fifty one (51) years that Petitioner's benefits Veterans Affairs has no paid medical benefits to him, the thirteen (13) most recent years of fraudulent Veterans Affairs representation for payment and nothing is paid, the refusal of payment to third party medical care givers, including doctors, hospitals, and emergency rooms, regarding payment for medical and dental costs, not yet paid to Petitioner, or for Petitioner with Veterans Affairs paying Petitioner the minimum \$32,500,000 Lump Sum payment plus punitive damages for false and fraudulent writings for over fifty one (51) years for \$325,000,000 to Petitioner plus Veterans Affairs pays all outstanding bills plus damages, not paid for over fifty one (51) years, which payment for fifty-six (56) years and six hundred seventy (670) months February 2024, as monthly service connected disability payments to Petitioner, which is payment based upon the current monthly Veterans Affairs paying all ratings for Petitioner to be current in payments owed Petitioner, now due and owed by Veterans Affairs. The additional medical tests are findings, and facts, that support the finding of Petitioner's 100% Service Connected Disability Compensation Benefits Award refused by Veterans Affairs. If damages are not paid and Petitioner is not upgraded by Veterans Affairs then a Judge and jury may hear this matter when Petitioner petitions the court for a hearing.

54. That all Respondents pay to Petitioner the lump payment, including prepayment of

medical cost based a lump sum payment such that Petitioner's medical benefits, are not Petitioner's requirement to pay.

55. Petitioner's benefits for his 100% Service Connected Disability Compensation Benefits Award remain. and begin after February 2024 with payment for his wife and child, paid to him monthly, with treble (triple) damages monthly for life to the Petitioner. Noting that the amount of total lump sum payment plus the stolen benefits through identity theft in the approximately twenty-six (26) applications within the Veterans Affairs system, can be adjusted by total lump sum payment this payment received for the 100% non service connected disability for PTSD from Amy Marrs in addition to Petitioner's 100% Service Connected award in 1973 not paid to Petitioner awarded because of this Action to obtain all of Petitioner's benefits. This benefits are undisputed benefits stolen by Veterans Affairs and Respondents, that have been deleted from the Veterans Affairs Computer, by Respondents, third parties that Amy Marrs has represented to Petitioner.

56. Veterans Affairs has stopped Petitioner from collecting his educational benefits because Veterans Affairs used this additional money in their summation total of Petitioner's benefits that are accessed from Petitioner's Veterans Affairs Profile, including but not limited to, violations of the 18 U.S.C. § 241 Petitioner's Civil Rights, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) to Donald R. Karr, Navy Veteran and Veterans Affairs Union AFGE (AFOL-

CIO) membership Employee, his son and grandson, DONALD LEE KARR, and DONALD RAY KARR. violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner. to increase Veterans Affair, and the Respondents, money laundering total amount, when Veterans Affair gains access to Petitioner's benefits, when they have gained access to Petitioner's Profile, setting up a second side to his profile to pay his son Donald Lee Karr violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, that Veterans Affair is now due lump sum payment, for defrauding Petitioner of all his ratings and awards, including the PTSD rating offered by Veterans Affairs in 'bad faith' at the time, but now due in this Judgment award, from the Court's ruling!

57. That all Respondents pay to Petitioner treble (triple) damages to the Petitioner, for defrauding Petitioner of his benefits through redirected Petitioner's benefits, without Petitioner's knowledge over the last over fifty one (51) years with money laundering and Identity Theft based a lump sum payment under authority of 18 U.S.C. § 1964(c), for any gains, profits, or advantages attributable to all violations of 18 U.S.C. 1962(d) supra, according to the best available proof, violations of the RICO ACT (18 U.S.C. §§ 1961-1968) 1970; specifically Cyber Crimes which conforms to the definition rendered in the most recent case of the Ninth Circuit Federal Court in Nevada on December 19, 2013 that was rendered in the case involving David Ray Camez conduct in violation of 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft and 18 U.S.C. § 1029 (access device fraud by the Government); Veterans Affairs staff and employees Acquisition and Maintenance of an Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity:18 U.S.C. §§ 1961(5),

58. Benefits that were reinstated and given back to Petitioner in November 4<sup>th</sup> 2013 from VARO in Houston, Texas as a pre-existing 30% service connected disability for a false Asthma/Bronchial award, setup in the Vista Program in the Veterans Affairs Computer for this specific identity theft including but not limited to, violations of the 18 U.S.C. § 241 Petitioner's Civil Rights, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) to Donald R. 59. That all Respondents pay to Petitioner punitive damages to the Petitioner, for defrauding Petitioner of his benefits over the last over fifty one (51) years of Identity Theft [18

U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft and 18 U.S.C. § 1029 (access device fraud by the Government)] based a lump sum payment under authority of 18 U.S.C. § 1964(c), for any gains, profits, or advantages attributable to all violations of 18 U.S.C. 1962(d) supra, according to the best available proof, violations of the RICO ACT (18 U.S.C. §§ 1961-1968) 1970 for fraudulent ratings, violations of 10 U. 60. Attorney's fees as a result of the Veterans Affair conduct, not in question but as an undisputed fact is a refusal to pay benefits to Petitioner that were in fact benefits that Veterans Affair paid to Donald Lee Karr, violations of 10 U. In 1973 Petitioner's 100% service connected disability benefits and Petitioner's GI BILL Education Benefits were redirected to Donald Lee Karr who still receives Petitioner's benefits today, that Petitioner should now receive legal costs to obtain his stolen benefits from the Court. Petitioner should receive reimbursement of all legal costs, in a fair and reasonable amount, in the event Petitioner costs to purse his lost benefits becomes necessary for Petitioner to secure the services of a trial attorney, to prosecute this matter to a conclusion. The Petitioner should recover payment of his work as a litigation paralegal, in preparation on the documents and the research necessary to present this matter to

this court.

### General Law

As the Court noted in *Erspamer v. Derwinski*, 1 Vet. Appl. At 9-10, a Petitioner seeking an extraordinary writ, such as a peremptory writ of mandamus, must demonstrate both a clear and indisputable entitlement to the writ and the lack of an adequate alternative means to obtain the requested relief.

This Petition for Peremptory Writ of Mandamus demonstrates both a clear and indisputable loss of Petitioner's 1973 award of his 100% Service Connected Disability Veterans benefits, **violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner,** and the fraudulent writings of his benefits, fraud, embezzlement, failure of the Respondents taxes on the stolen benefits, and the other financial crimes committed by the Respondents to redirect the payments that have been stolen by Identity Theft and Money Laundering violation of 18 U.S.C. §1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government).

The Petitioner's 100% Service-Connected Disabilities benefits stolen by the Respondents, and each of them at Veterans Affairs, demonstrated by the continued refusal to give Petitioner his actual 1973 award of his 100% Service-Connected Disabilities benefits when any application by the

Petitioner is made to Veterans Affairs demonstrates that Veterans Affairs has utilized false writings to create Petitioner's ratings each and every time.

Petitioner's benefits have been stolen from each of his applications for benefits. Petitioner's benefits have been stolen from him by Identity Theft and Money Laundering of the Respondents, and each of them, in their violations of 18 U.S.C. §1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) by Veterans Affairs, the Respondents, and Veterans Affairs employee Donald R. Karr, Navy Veteran who lived at 22402 Robin Oaks Terrace, Diamond Bar, California 91765 in 1973 when Veterans Affairs employee Donald R. Karr, Navy Veteran where he bought his home at 22402 Robin Oaks Terrace, Diamond Bar, California 91765 in November 13<sup>th</sup> 1968, when Donald Richard Karr Jr., Petitioner was in the US Army Ordinance and Missile school at Redstone Arsenal in Alabama from on or about March of 1968 through April of 1969:

1. The Veterans Affairs identity theft and embezzlement of Petitioner's 100% service connected disability benefits payments that were diverted from Petitioner, DONALD RICHARD KARR JR, that the Veterans Affairs program was setup within the Vista Program in the Veterans Affairs Computer, by Respondents, and each of them, including but not limited to, Veterans Affairs employee Donald R. Karr, Navy Veteran who lived at 22402 Robin Oaks Terrace, Diamond Bar, California 91765. Donald R. Karr, Navy Veteran with Veterans Affairs Employee shown in Petitioner's profile, so as the second person in Petitioner's Profile that was his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff

that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, could exist with Petitioner's TRICARE insurance that would not interfere with the Veterans Affairs medical insurance that Petitioner would receive starting in 1973. Originally this did not include the contractual interference of Marie Weldon, Fachie Director of Department of Veterans Affairs Medical Center San Antonio, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, and her staff violations of the RICO Act (18 U.S.C. §§ 1961-1968) 1970 specifically Cyber Crimes statutes which conforms to the definition rendered in the most recent case of the Ninth Circuit Federal Court in Nevada on December 19, 2013 that was rendered in the case involving David Ray Camez conduct in violation of 18 U.S.C. § RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) because the Director Weldon doesn't like Petitioner, according to Department of Veterans Affairs Kerrville Police Captain Munoz. The actions of Marie Weldon, Fachie Director of Department of Veterans Affairs Medical Center San Antonio, and her staff violations gives rise to Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity: 18 U.S.C. §§ 1961(5), 1962(b) GROSS NEGLIGENCE EQUATING TO FRAUD; with imputed and gross negligence equating to FRAUD AND FALSE STATEMENTS under 18 U.S.C. §1001 violations of the HOBBS Act 18 USC §

1951 monthly since on or about September 1973 and violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, rising to the level of Racketeering Activities under the RICO ACT; with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3). In this case at bar In Re: Quigley, 1 Vet. App. 1 (1990), (Quoting from In the Matter of the Fee Agreement of Smith, 4 Vet. App. 487, 500 (1993)). The Court may issue a Peremptory Writ of Mandamus as the Rule of Law.

2. On the federal level, for example, 28 U.S.C.A. § 1651(a) provides that courts "may issue all writs necessary or appropriate in aid of their respective jurisdictions and agreeable to the usages and principles of law".

3. The Supreme Court set forth some guidelines on writs of mandamus in Kerr v. United States District Court, 426 U.S. 394, 96 S. Ct. 2119, 48 L. Ed. 2d 725 (1976), (man-dame-us) n. Latin for "we order," a writ (more modernly called a "writ of mandate") which orders a public agency or governmental body to perform an act required by law when it has neglected or refused to do so. The Department of Veterans Affairs continues as shown in this Petition, to refuse over a period of over fifty one (51) years, six hundred seventy (670) months because actual benefits began in February 1968 so the benefits are shown through February 2024, to upgrade Petitioner to his actual 100% service connected disabilities that Department of Veterans Affairs has received proof of which also exist in the Department of Veterans Affairs records dating back to 1973. Veterans Affairs has had proof since 1973 in its Computer but refuses to act to upgrade Petitioner at his proper minimum status of 100% service connected disability award for COPD #6604 since on or about September 2013, that Petitioner's two disabilities of Chronic Bronchitis #6600 and Asthma #6602 (shown as

Asthma/Bronchial not a rating but two ratings as a false writing by Veterans Affairs) with Petitioner's allergies and diabetic disabilities noted in 2004 and 2005 at Veterans Affairs would have given Petitioner one hundred (100) percent service connected disability in 2013! Petitioner has been in the 55 year Rule at Veterans Affairs since 2003 and his benefits can not be changed or down graded but Veterans Affairs continues to downgraded Petitioner's 100% Service Connected Disability Benefits again to 30% Service Connected Disability while leaving Petitioner's second side of his Profile that Donald Lee Karr is paid Petitioner 100% Service Connected Disability payments alone rather than paying Petitioner his 100% Service Connected Disability Benefits. Petitioner received a CPAP machine in 2014 when Dr. William John Ryan recommend to Veterans Affairs in his test in October 2014 (that the October 2014 test for Sleep Apnea done by Board Certified doctor William John Ryan established Petitioner stops breathing 46 times in an hour) for which Petitioner, DONALD RICHARD KARR, JR. CXXXX6558 uses a CPAP machine (that is provided by Veterans Affairs and said CPAP Machine is an automatic 50% Service Connected Disability upgrade for Petitioner and in June 26<sup>th</sup> 2015 Petitioner was upgraded with a 30% Service Connected Disability (mellitus type 2 rating of 20% diabetes and tinnitus rating of 10%) for the upgrade of 100 % Service Connected Disability since February 1968 or over Six Million (\$6,000,000) Dollars owed to Petitioner and his family for this upgrade that should have been paid to him in 2015, to hold a false writing and fraudulent documents to maintain the Second Side of Petitioner's Profile so that Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, could continue to be paid Petitioner's 100% Service Connected Disability Benefits a violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.

4. In the Department of Veterans Affairs there is an Organized Crime Group that Donald R. Karr, Navy Veteran and Veterans Affairs Union AFGE (AFOL-CIO) membership Employee, his son and grandson, DONALD LEE KARR, and DONALD RAY KARR are part of that is stealing the benefits monies from the Petitioner, and other Veterans, refusing to give the Veterans their correct benefit's rating so that the Veterans can receive their correct monthly monies payments of a minimum of one hundred percent (100%) service-connected disability award so that Petitioner's COPD #6604 that his disease has progressed to since September 2013.

5. The Petitioner's correct benefit's rating since 1973 for monthly payments, of a minimum of one hundred percent (100%) service connected disability 1973 award for his current COPD #6604 disability with the doctors hired by Veterans Affairs established that the Petitioner's original application (CXXXX6558) is now used, has been stolen at least twelve (12) times yearly embezzled through false writings, by the Respondents, in their failure to pay taxes, and other financial crimes, for a period of over fifty one (51) years, six hundred seventy (670) months that began in February 1968 and to February 2024, with no benefits monies paid to the Petitioner, from the stolen and embezzled benefits monies.

6. Veterans Affairs is involved in an Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity: 18 U.S.C. §§ 1961(5), 1962(b) GROSS NEGLIGENCE EQUATING TO FRAUD; with imputed and gross negligence equating to FRAUD AND FALSE STATEMENTS under 18 U.S.C. 1001 rising to the level of Racketeering Activities under the RICO Act; 18 U.S.C. §1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during

and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) of Petitioner's 100% service connected disability benefits since 1973!

### **Nature of Relief Sought**

This Petition seeks the Court to issue an order directed to the Respondents, and each of them, and their council to answer Petitioner's Petition and Show Cause why the relief prayed for in this Petition should not be granted to the Petitioner, Donald Richard Karr Jr. VA FILE NO. CXXXX6558. This Petition for PEREMPTORY WRIT OF MANDAMUS 28 U.S.C. § 1651 complaining of the Respondents, Veterans Affairs and Veterans Affairs Management Acquisition and Maintenance of an Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity: 18 U.S.C. §§ 1961(5), 1962(b), 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) since 1973, the over fifty (51) years six hundred seventy (670) months, from February 1968 through February 2024, criminal activities and violations of the RICO Predicated Acts are part of the relevant facts and findings in this Petition with the failure of justice; therefore, it ought to 52; 2 H. & M. 132; 3 H. & M. 1; 1 S. & R. 473; 5 Binn. 87; 3 Conn. 243; 2 Virg. ### **Wrongful Acts by Veterans Affair including Identity Theft**

That specifically was Wrongful Acts by the Respondents, Veterans Affair and its employees, that included the money laundering and 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) by Donald Lee Karr that began the embezzlement of Petitioner's 100% Service Connected Disability Benefits including Petitioner's GI BILL Education benefits in 1973 with his father's help Donald R. Karr, Veterans Affair Employee, violating the HOBBS Act 18 USC § 1951 monthly, since on or about September 1973 and violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, rising to the level of Racketeering Activities under the RICO ACT in the Respondents, and each of them, in their in an Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity; 18 U.S.C. §§ 1961(5), 1962(b), GROSS NEGLIGENCE EQUATING TO FRAUD; with imputed and gross negligence equating to FRAUD, FALSE WRITINGS AND FALSE STATEMENTS under 18 U.S.C. 1001 rising to the level of Racketeering Activities under the RICO Act; with embezzlement through Identity Theft and Money Laundering violations of 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) with their RACKETEERING ACTIVITIES as a PRINCIPAL

(18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) of Petitioner's benefits and Petitioner's 100% service connected disability benefits, that is an undisputed act a 'hate crimes' against Petitioner's 1973 award of 100% Service-Connected Disabled Veterans Benefits and GI BILL Education Benefits because Donald Lee Karr does not qualify for any military or 100% Service-Connected Disabled Veterans Benefits and GI BILL Education Benefits because he was never in the military.

**Section 91** Generally United States is liable under Federal Tort Claims Act only for damages caused by negligent or wrongful act or omission of an employee of the United States, Thompson vs. U.S., C.A.9 (Cal) 1979, 593 F.2d1104 that includes, but is not limited to, the theft of Petitioner's 1973 award of service connected disability benefits for one hundred (100%) percent service connected disabled veteran benefits commencing from the sixth week of basic training (February 1968) when Petitioner was in the Ft. Ord Hospital, after a week of marching in pouring rain, the prior week, arriving at the hospital with a 104 degree temperature, with Chronic Bronchitis #6600 that was used as the determination that Petitioner is 100% service connected disabled Veteran that qualified that payments would be paid to Petitioner for the 100% Service Connected Disability Benefits. Petitioner's loss of over fifty-six (56) years, from Basic Training in February 1968, of his 100% service connected disability benefits payments and disability rating status, because of Petitioner's service connected disabilities benefits payments, have been stolen from Petitioner, with the identity theft of Donald R. Karr, Navy Veteran, Veterans Affairs employee, in Veterans Affairs Acquisition and Maintenance of an Interest in and Control of an Enterprise Engaged in a Pattern of Racketeering Activity: 18 U.S.C. §§ 1961(5), 1962(b) that Petitioner, DONALD RICHARD KARR JR's (1973 VA file no. CXXXX6558), benefits have been stolen and embezzled from Petitioner, not paid to Petitioner, has been an undisputed fact, that the

Organized Crime Group enterprise has existed over fifty one (51) years, taking payments for six hundred seventy (670) months from February 1968 to February 2024 at Veterans Affairs that began in Los Angeles Veterans Affairs where Navy Veteran Donald R. Karr worked where he produced fake IDs for his son Donald Lee Karr to impersonate Petitioner Donald Richard Karr Jr. to obtain Petitioner's transcripts at Cal Poly Pomona so he could take Petitioner's GI BILL and education benefits.

1. Definition of government employee contained in this chapter, including Section 1346(b) of this title, while not without boundaries, was drafted to have expansive reach and should be applied with eye to general agency law rather than in formalities of employment contracts, *Witt vs. U.S. C.A. 2* (NY) 1972, 462 F.2d 1261.

2. This chapter and Section 1346 (d) of this title are to be invoked only on a negligent or wrongful act or omission of a government employee. *Fentress vs. U.S. C.A. 7*(III.) 1970, 431 F. 2d 824.

3. The punitive damages should be assessed against Veterans Affairs pursuant to *Eichenseer, supra*, at 894 F. 2d 1414, 1418 (5th Circuit 1990). The decision of the United States Court of Appeals for the Fifth Circuit is final.

4. The United States to be held liable under Federal Tort Claims Act negligent person must be an "employee" as defined by the Act. *Mocklin vs. Orleans Levee Dist, E.D. La*, 1988. 690 F. Supp. 527, affirmed 877 F. 2d 427.

5. This chapter and Section 1346(b) of this title encompass liability of the United States for negligent act of any employee of the Government and are not limited to executive branch or employees thereof. *McNamara vs. U.S. D.C.* 1961, 199 F. Supp. 879.

**Section 92 Compensation –Generally Definition of “employee” for the purposes of Federal Tort Claims Act** does not require that a person possess formal employee status, but includes any person acting on behalf of federal agency and in the official capacity, temporary or permanently in the service of the United States, whether with or without compensation. *Guccione vs. U.S.*, S.D.N.Y. 1987, 670 F. Supp 527, affirmed 47 F.2d. 1031, rehearing denied 878 F2d32, certioraris denied 110 S. Ct. 719, 493 U.S. 1020, 107L, Ed. 2d 739.

**Section 95 Respondent Superior. “Employee”** as used in this chapter and **Section 1346(b)** of this title is to be read as having same general meaning as term servant has in body of law relating to doctrine of respondent superior. *U.S. vs. Becker*, C.A.9 (Ariz) 1967, 378 F. 2d 319.

“Employee” within Federal Tort Claims Act not protected by the Westfall Act whereby government consents to be sued for injuries caused by Acts of employees of the government [Petitioner obtained his Title 38 (authorization to sue the Government to obtain damages for Veterans Affairs’s unlawful actions) was obtained from Veterans Affairs on June 3<sup>rd</sup> 2014, the Acts including RICO predicated Acts shown herein] consents to be sued for injuries caused by Acts including RICO predicated Acts of employees of government has same meaning of servant has in body of rules relating to doctrine of respondent superior. *Brucker vs. U.S.*, CA. 9 (Cal) 1964, 338 F. 2d. 427, certiorari denied 855. Ct. 1769, 381 U.S. 937, 14L. Ed. 2D 701.

Malpractice continues from Veterans Affairs facility to the next facility that now is displayed at Spokane Veterans Affairs which has now refused Petitioner’s 100% Service Connected Disability Benefits, refusing to pay over forty-five (45) doctors visits, tests, emergency room

visits and no medications in over two (2) years that includes sending Petitioner a meter to check his diabetic reading that reads thirty-five (35) points low to KILL PETITIONER.

The strong likelihood however is that Veterans Affairs can be receiving both sides of profiles of veterans that have died in the last over fifty one (51) years, when it is an undisputed fact that twenty-two (22) veterans a day commit suicide, that must be counted so that there could be a minimum of  $22 \times 365 \times 49 = 393,470$  veterans profiles that are not shown in this count which Veterans Affairs is involved in identity theft and money laundering which are forgotten, unless you are a Veteran. I believe my father Donald Richard Karr Sr. is part of this group and my mother received only \$250 to bury my father so perhaps Donald R. Karr Veterans Affairs Employee received the Next of Kin benefits for Donald Richard Karr, Sr. that should have been paid to Petitioner's mother. These Veterans are very important in this matter before this Court! Stereotype threat at Veterans Affairs involves the internalization of negative stereotypes by the stigmatized. Self-fulfilling prophecies also occur when a negative stereotype influences the way we treat a person and the person reacts to this treatment with behavior that confirms the stereotype. . . . [Healy, 457].

Stigmatic harms are not insurmountable. Many stigmatized individuals develop ways of coping with their situations. As noted above, they may attribute negative outcomes to the prejudice of others rather than allow those outcomes to affect their self-esteem. They may also try to compensate for, or even eliminate, their stigmatizing traits by changing their behaviors or working harder. . . . But although these strategies can lessen the harms associated with stigma, they also carry costs. Reflexively blaming negative outcomes on prejudice can prevent one from understanding other reasons behind those outcomes. Attempting to change behavior can backfire if those efforts fail, causing one to feel even worse than before. And avoiding situations that might expose one to ridicule or prejudice

limits one's access to important resources and severely circumscribes one's freedoms. [Healy 457-458]

In short, stigmatization is a serious injury with harmful consequences. Not all stigmatized people experience these harms in the same way, and many individuals are able to overcome these harms and lead happy, fulfilling lives. But for the most part, [p]eople who are stigmatized tend to experience more negative outcomes in their work lives and in their personal lives than do the nonstigmatized. [Healy, 458]

It is true that much of the harm experienced by the stigmatized likely would exist even in the absence of government action. It is also true that we cannot measure precisely the extent to which government action in a given case contributes to stigmatic harm. But it seems clear that when the government stigmatizes members of a particular group, it exacerbates the harm they experience. By reinforcing the social belief that those with a particular trait are discredited, the government adds to the prejudice and discrimination against them, creates additional threats to their self-esteem, and reaffirms the stereotypes that lead to self fulfilling prophecies. The Veterans Affair and the Government's role also likely increases the intensity of these harms, particularly the threat to self-esteem. [Healy, 464].

That judgment should be entered for Petitioner against all Respondents, for Petitioner's actual damages, and for any gains, profits, or advantages attributable to all violations of 18 U.S.C. 1962(d) supra, according to the best available proof. The Petitioner's loss of ability to work due solely to Veterans Affair and its Employees and its Union Employees trying to kill Petitioner for his benefits so he is unable to work in Profession, as a licensed California General Engineering Contractor (A) and Building Contractor (B) refusing to help Petitioner

use his Veterans Educational Benefits to become a licensed General Engineering Contractor (A) and Building Contractor (B) starting over on or about 2011 as a general contractor. Veterans Affairs refused, the last thirteen (13) years to do anything to help Petitioner to obtain said benefits, so Petitioner has been prevented from working as Engineering Land Planner, and General Engineering Contractor infrastructure builder, as he has done in the past over fifty one (51) years when he originally started as Civil Engineering Designer of projects in 1972, and became licensed as a General Contractor in June 1976 scoring a 97% on the test. Petitioner has been unable to return to his profession, to utilize his private sector development experience, which includes successfully acquiring infrastructure public sector bond inducements agreements like he did with Riverside County totaling \$750,000,000.00 for his project in this City of Perris, California (Riverside County) project encompassing some 1,300 acres with 8,800 residential units and 396 acres for commercial and industrial R&D project and two (2) infrastructure public sector bond inducements agreements for two (2) additional \$300,000,000 Riverside County Projects in 1986 for a total of \$1,350,000,000 in revenue bonds for infrastructure. When the bond market crashed in March 1986.

Petitioner's joint venture partner Bankers Trust in New York with drew from the arrangement because we could not proceed with the \$1,350,000,000 in bonds. These projects in Riverside County California, that Petitioner notices here solely as an example of his projects, as a land planner and hillside land planner, as a Licensed General Engineering (A) and General Building (B) Contractor no. XXXX63 that began in November 1978 in the State of California demonstrate Petitioner's annual livelihood capabilities with his loss annually to be a minimum of \$1,350,000,000 in revenue bonds as example, that would set the entitlements in the rezoning of the property paper value of Petitioner's assets, or

property equity, at four billion dollars minimum to nine billion dollars (\$4,000,000,000 to \$9,000,000,000) for each and every year of Petitioner's Development undertakings in these past thirteen (13) years, that Veterans Affairs, and the Respondents, and each of them, stopped and have caused Petitioner's loss of income, refusing his educational benefits and 100% Service Connected Disability Veterans Benefits, refusing Petitioner the right to have his Veteran Owned Design, Build and Development Business so that the Respondents, and each of them, could continue their embezzlement, money laundering, identity theft that included assuming the identity of Petitioner in the violations of the HOBBS Act 18 USC § 1951 monthly since on or about September 1973, and violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, when Petitioner's returned his first GI BILL check to Veterans Affairs in the Los Angeles area where Donald R. Karr, Veterans Affairs Employees, violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3). Petitioner's 100% Service Connected Disability benefits should be paid current that include payment of Petitioner's Wife and Child that have not been paid to Petitioner, that are at this time with six hundred seventy (670) months, February 1968 through February 2024.

Veterans Affairs, the Respondents, and each of them, have forced Petitioner into poverty, giving Petitioner a false disability rating of Asthma/Bronchial of 30% Service Connected Disability, then charging Petitioner illegal copay forcing him to pay, through identity theft on benefits, violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) to Donald R. Karr, Navy Veteran and Veterans Affairs Union AFGE (AFOL-CIO) membership Employee, his son and grandson, DONALD LEE KARR, and DONALD RAY KARR that it has been established with undisputed proof have stolen Petitioner's 100% Service Connected Disability Benefits for their own unjust enrichment.

Petitioner has not been paid his actual 100% Service Connected Disability Veterans Medical Benefits by Veterans Affairs, that is an undisputed fact, a violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, all 100% Service Connected Disability benefits of Petitioner are in the second side of Petitioner Veterans Affairs Profile and are paid to Donald Lee Karr. Medicare actually pays Petitioner's medical costs, paid by Medicare every month, his Veterans Affairs benefits have refused. Petitioner since he came to Coeur d' Alene Idaho approximately eight years ago dying from the attempt by Veterans Affairs trying to murder

Petitioner by overdose by Dr. Llanos in Kerrville Texas Veterans Affair.

Petitioner can't start his Veterans Design, Build, Develop and Construction Business as a 100% Service Connected Veteran (as Marie L. Weldon told Petitioner 'she was not going to put Petitioner in business' so in Marie L. Weldon's mind, and her Veterans Affair policy, Veterans Affair was going to destroy Petitioner now, leaving him no income Veterans 100% Service Connected Disability monthly violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, with her false, false writings and fraudulent copay to take Petitioner's monthly income, as well as KILL Petitioner so Veterans Affair, the Respondents, and each of them, could take over Petitioner's Profile).

In the last Thirteen (13) years, that Veterans Affair has cause Petitioner's loss of income, including illegal copay, without the ability to have his 1973 award of his 100% Service Connected Disability benefits, that have been stolen by the Respondents, and each of them, have blocked Petitioner from obtaining approximately fifty-six (56) years, six hundred seventy (670) months, from February 1968 to February 2024 and in about approximately one month February 2025 it will be six hundred eighty-two months that Veterans Affair owes Plaintiff Donald Richard Karr, Jr and his wife and family they have not paid since 1973. The Respondents, and each of them, have blocked Petitioner with false writings from obtaining any GI BILL Education Benefits or any Veterans educational benefits, including the undisputed fact Petitioner's GI BILL Education benefits were stolen by Donald Lee Karr and his son Donald Ray Karr, so they were able to go to UCLA Law School and UCLA. Veterans Affair, the Respondents, and each of them, have been responsible for Petitioner's

loss of \$4,000,000,000 to \$9,000,000,000 per year for thirteen (13) years = \$44,000,000,000 minimum, possibly \$99,000,000,000 in Petitioner's loss of income, with the violations by Veterans Affairs, the Respondents, its employees and agents **HOBBS Act 18 USC § 1951** monthly violations since on or about September 1973, violations of **10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968**, these Undisputed Acts of **TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner**, and violations of **18 U.S.C. § 241** Petitioner's Civil Rights, **RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3).**

Veterans Affairs, the Respondents, its employees and agents, have tried to Kill Petitioner for his benefits. Veterans Affairs, the Respondents, its employees and agents, have continue their over fifty one (51) year Ponze Scheme stealing Veterans Benefits. including the Petitioner's, as only one of Veterans Affairs, the Respondents, and each of them, Victims.

Veterans Affairs, the Respondents, its employees and agents, without giving the Next of Kin benefits to the Veterans families have stolen Billions of Dollars from the United States Government that an audit is now due to determine just how much money is missing!

This Veterans Affairs Ponze Scheme, is founded with the Donald R. Karr and his son Donald

Lee Karr Organized Crime Family that started in the Los Angeles area which is why none of them have moved from the Los Angeles County area. This undisputed fact is part of the Union Membership at Veterans Affairs has been able to carry out their embezzlement, money laundering, Identity Theft violations of Petitioner's 100% Service Connected Veterans Disability Benefits in violations of the HOBBS Act 18 USC § 1951 monthly since on or about September 1973, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, and violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3). which has continued their RICO Crimes at Veterans Affairs approximately fifty one (51) years, that may have started with Petitioner's benefits in 1973 as one of their first Victims.

This may now, however be expanded to perhaps 4,000,000 current veterans or more, who are patients at the Veterans Affairs Facilities, because surely it seems possible that there are dead veterans getting benefits, showing as current members getting medications, diabetic shoes, and other medical supplies that could be sold during the theft at Veterans Affairs I have witnessed on the normal business day, the government pays for, plus may buy a second time, from the union members sealing said supplies like Mario Alcala and Michael

Olsen was doing, while Petitioner worked in the Lab at Kerrville Veterans Affair as a CWT. Petitioner witnessed this theft but could not stop this even when the Petitioner wrote his first 'Whistle Blower Complaint', because there has not been an audit by the government of the Veterans Affair Department or its Veterans Affair Computer system or the information history of payments to Veterans, of any audit that would show what has happened in the last over fifty one (51) years.

This Petition alleges that there is undisputed proof and 'incontrovertible physical evidence, in the print out of Petitioner's Profile where the Court can see that the Petitioner, Donald Richard Karr Jr., is not the only one in his Veterans Affair Profile. If you look at a copy of his Veterans Affair Health Card you see Petitioner's name is shown as "DONALD R. KARR JR" member ID XXXXXX9137 Card Expires 11/01/2034 noting VA HEALTHCARE ENROLLED SERVICE CONNECTED, and of course US ARMY Veteran. You will note the print out of the Petitioner Veterans Affair Profile from the Choice Doctor, you note there are many insurance companies, (three insurance companies in fact) shown in the Veterans Affair Profile, and the name is DONALD RICHARD KARR with two (2) address noted as 22042 Robin Oaks Terrace, Diamond Bar, California 91765 name noted as KARR, DONALD RICHARD and insurance is WPS VAPCC PO Box 7926 Madison, Wisconsin 53707-7926 noting self. This is not Petitioner's insurance or where Petitioner has lived. On further inspection the name shown as DONALD RICHARD KARR does not appear on Petitioner's Health Card noted above. The second print out of Petitioner's Profile shows KARR DONALD RICHARD with the address 212 W. Ironwood Drive, Coeur d' Alene, Idaho 83814. Petitioner's address is 212 W. Ironwood Drive #D544, Coeur d' Alene, Idaho 83814

If you look at the insurance noted you see the VA Medical Insurance and Petitioner's

Medicare. On the third print out of the Petitioner's Veterans Affairs Profile you note this print is different from the second print out, because Veterans Affairs Insurance has been removed from the Profile at Kootenai Clinic, such that the hidden insurance within the Petitioner's Original Veterans Affairs Profile, that Veterans Affairs sent to Kootenai Health Care, by internet, is again Veterans Affairs Employee DONALD R. KARR who appears as same Donald R. Karr on the title report to 22402 Robin Oaks Terrace, Diamond Bar, California 91765, with his wife Jean S. Karr, when they purchased their home in Diamond Bar November 13<sup>th</sup> 1968, when Petitioner was in the US Army in Huntsville, Alabama when Petitioner was not married. Examining this print out you can see that the WPS VAPCC insurance, or TRICARE Insurance, that is DONALD RICHARD KARR JR's TRICARE insurance and it is using Petitioner's Social Security Number. Petitioner can qualify to get TRICARE Insurance, because Petitioner is 100% Service Connected Disabled since 1973, but Petitioner's TRICARE Insurance is given to Donald :Lee Karr, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, because Donald Lee Karr was not in the military, that again appears to be showing as the third insurance in Petitioner's Veterans Affairs Profile!

The doctrine of unconstitutional conditions holds that government may not grant a benefit on the condition that the beneficiary surrender a constitutional right, even if the government may withhold that benefit altogether. It reflects the triumph of the view that government may not do indirectly what it may not do directly over the view that the greater power to deny a benefit includes the lesser power to impose a condition on its receipt. (Id. at 1415)

[A]ssuming that some set of constitutionally preferred liberties has been agreed upon, and that burdens on those liberties require especially strong justification, unconstitutional conditions doctrine performs an important function. It identifies a characteristic technique by which government appears not to, but in fact does burden those liberties, triggering a demand for especially strong justification by the state. Part I of this Article defines the basic elements of the technique. (Id. at 1419)

Unconstitutional conditions doctrine has a third possible theoretical explanation: that some constitutional rights are inalienable, and therefore may not be surrendered even through voluntary exchange. This approach identifies the harm in unconstitutional conditions as the commodification of rights the treatment of rights as transferable objects. (Id. at 1477)

Making constitutional rights inalienable because citizens may undervalue the worth of those rights to themselves would be classic paternalism overruling individuals' choices for their own good. Individuals' choices may diverge from their best interests for many reasons: for example, because they under assess risk or under-value their long-term interests. Choices to waive constitutional rights are no exceptions; invalidating such choices, even if perfectly voluntary, compels citizens to hang onto their rights for their own good. (Id. at 1480)

This approach would conceive unconstitutional conditions doctrine as a mere backstop to constitutionalism itself, which among other things, places rights beyond the reach of the Veterans because Veterans, if left to their own devices, will squander them. (Id. at 1480-81)

The Petitioner's injuries that he received on or about February 26<sup>th</sup> 2018 when Petitioner fell on the ICE were partially paid with TRICARE INSURANCE, when the hospital charged the insurance but in fact Veterans Affairs did not pay noting, the Veteran who lived at 22402 Robin Oaks Terrace, Diamond Bar's insurance that is shown in Petitioner's Veterans Affairs

Profile, but it is not the Petitioner it is Donald Lee Karr with his violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, THE PETITIONER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.

There has been an apparent bias against Petitioner at Veterans Affairs, for lack of a logical explanation other than hypocritical lip service from Veterans Affairs and its employees, being held to less stringent standards than those applied to formal rule of law standards, that results in total disregard to the special protections alleged to be afforded to Veterans but specifically against Petitioner!

The Veterans Affairs seems set up all their responses to Petitioner or his needs, with the prejudice, It is an undisputed fact. Petitioner's benefits were stolen in 1973 and given to Donald Lee Karr, who through identity theft since 1973, has prevented Petitioner from obtaining his 100% Service Connected Disability Benefits since 1973, showing Donald Lee Karr's address as 22042 Robin Oaks Terrace (shown in Petitioner's Profile) Diamond Bar, California 91765 in the over fifty one (51) years of violations of the HOBBS Act 18 USC § 151 monthly since on or about September 1973, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, when Petitioner's returned his first GI BILL check to Veterans Affairs in the Los Angeles area where Donald R. Karr, Veterans Affairs Employees, and violations of 18 U.S.C. § 241 Petitioner's Civil Rights, money laundering and identity theft violations of RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when

someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that are in fact Petitioner's 100% Service Connected Disability Benefits, including the Petitioner's GI BILL schooling and educational benefits, that Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, a Civilian, and not a Veteran, has been paid, in the violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, blocking Petitioner's award of his 1973 award of his 100% Service Connected Disability Benefits, that are an undisputed fact Petitioner's 100% Service Connected Disability Benefits since 1973, including Petitioner's GI Bill Educational Benefits.

Donald Lee Karr, a Civilian, and not a Veteran, using Petitioner's credit and slandering Petitioner's credit and Petitioner, so Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, could go to UCLA Law School using Petitioner's 100% Service Connected Disability Benefits!

Donald Lee Karr, a Civilian, and not a Veteran showing Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that

Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, address 22042 Robin Oaks Terrace (shown in Petitioner's Veterans Affairs Profile) Diamond Bar, California 91765 in the over fifty one (51) years of violations of the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) monthly, for the embezzlement, money laundering and identity theft of Petitioner's 100% Service Connected Disability Benefits, including the Petitioner's GI BILL schooling and all of Petitioner's educational benefits, that Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, a Civilian, and not a Veteran. Veterans Affairs, the Respondents, and each of them, have committed TREASON in their impersonation of Petitioner, as a Veteran obtaining payment of Veterans 100% Service Connected Disability Benefits, as a non veteran, because of the Respondents, and each of them, specific wrongful acts against the Petitioner. These specific wrongful acts allowed Donald Lee Karr, a Civilian, not a Veteran, to assumed Petitioner's identity as a Veteran in 1973, including Donald R. Karr, Donald Lee Karr's father, producing fake ID cards at Veterans Affairs for his Donald Lee Karr, with Petitioner's information.

Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service

Connected Disability Benefits since 1973, working with his father Donald R. Karr, producing fake ID cards, at Veterans Affairs so Donald Lee Karr could embezzle and assume the identity of Petitioner. Petitioner's benefits since 1973, with Donald Lee Karr's continued RICO Predicated Acts violations for over fifty one (51) years including violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3).

Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, has obtained all of Petitioner's benefits from the 100% Service Connected Disability side of Petitioner's Veterans Affairs Profile in violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.

The facts are clear that as an undisputed fact, Petitioner's award of his 100% Service Connected Disability Benefits, since when he originally applied for his benefits, on or about June 1973, have been stolen by Donald Lee Karr, the Respondents, and each of them, in violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH

AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, including but not limited to, violations of the 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that Donald R. Karr, Navy Veteran and Veterans Affairs Union AFGE (AFOL-CIO) membership Employee, his son and grandson, DONALD LEE KARR, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, and DONALD RAY KARR who was born in September 1985 and Petitioner's daughter was born in September 1974, have stolen, as an undisputed fact, Petitioner's 100% Service Connected Disability and GI Bill Educational Benefits. Petitioner 100% Service Connected Disability Benefits were stolen by Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, so he could go to UCLA and UCLA Law School!

DONALD LEE KARR, also known as 'DONALD RICHARD KARR now lives at 6349 Meadow Haven Drive, Agoura Hills, California 91301-1659, is not a veteran, who never served in the Military, has been representing himself to be US Army Veteran, Donald

Richard Karr Jr., the Petitioner. Donald Lee Kass has been paid Petitioner's 100% Service-Connected Disability Benefits since 1973 because his father Donald R. Karr (not related to US Army Veteran, Donald Richard Karr Jr.) set up the Veterans Affair Computer (with the help of the Respondents, and each of them, at Veterans Affair which these continues to the date of filing of this Petition) to embezzle the benefits of the Petitioner for approximately fifty-six (56) years, six hundred seventy (670) months, from February 1968 to February 2024.

Petitioner's damages will require that Petitioner's stolen benefits from 1973 when Petitioner, his wife and his child should have been how Petitioner's benefits are now determined since 1973 to recover his loss of the embezzled benefits rating of 100% Service Connected Disability award is determined, that were actually stolen and redirected to Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, son of Donald R. Karr, Veterans Affair Employee, that is not related to Donald Richard Karr, Jr., because Donald Richard Karr Jr. great grand father changed the spelling of his name from CARR to KARR during the Civil War. Donald Richard Karr Jr. is Scottish and Irish dating back to the eleventh century.

All of Petitioner's damages that are the result of the over fifty one (51) years of prejudice of the Petitioner that he has been subjected to by Veterans Affair, the Respondents, and each of them, which Petitioner has suffered from the different Veterans Affair(s) facilities are the result of the embezzled benefits and Petitioner's rating of 100% Service Connected Disability award that were actually stolen and redirected to Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that

Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, son of Donald R. Karr, Veterans Affairs Employee, at Veterans Affairs.

These embezzled benefits and rating of 100% Service Connected Disability award determined in 1973, that were actually stolen and redirected to Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, son of Donald R. Karr, Veterans Affairs Employee, is the specific reason for Petitioner to file this Petition for this Case of First Impression involving extortion through and at the Veterans Affairs facilities, the Respondents, and each of them, have violated HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES, and RICO predicate acts and racketeering activities under the RICO Act by Veterans Affairs Employees, failing or refusing to notify the U.S. Attorney General for a criminal investigation and prosecution for FELONY EXTORTION under 18 U.S.C. § 1964(1)(A) or even a CIVIL INVESTIGATIVE DEMAND (18 U.S.C. § 1968) constitutes not only obstructions of justice under the RICO Act but also Wire Fraud under 18 U.S.C. § 1341 FRAUDS AND SWINDLES and 18 U.S.C. § 1343 FRAUD BY WIRE, RADIO through a scheme or artifice to defraud Petitioner of his 1973 100% Service-Connected Disability Benefits, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.

The Veterans Affairs false, false writings and fraudulent ratings since 1973 has prevented Petitioner from exercising his common law rights, statutory rights, and constitutional rights from the very act of selecting Veterans Affairs with the condescending nature on tone of the

ridicule, embarrass, harass, and intimidate, that prevented the Petitioner from exercising his rights.

Veterans Affair, Respondents, and each of them, because Petitioner is a 'Veterans Affair Whistle Blower' has treated with 'prejudice' because Veterans Affair seeks to punish Petitioner as a Whistle Blower. Petitioner reserves the right once the determination has been reached by this Court regarding his 1973 benefits, and the amount of stolen benefits, by Petitioner's requests for Summary Judgment with the Respondents organized crime within Veterans Affair, because of fraud on the Court, shown as part of the Petitioner's damages in this Petition, that began at Veterans Affair on or about June 1973 the Petitioner then can request this **'CASE OF FIRST IMPRESSION WITH SPECIAL CIRCUMSTANCES INCLUDING ATTEMPTED MURDER OF PETITIONER FOR HIS BENEFITS'** can be heard by the Court pursuant to **THIS COMPLAINT PURSUANT TO COURT RULES 4,9, 16 AND 38**, and Petitioner reserves the right to amend this Petition and/or supplement this Petition, to show cause for exercising his civil rights to request a Jury Trial on this matter. Illegal taking of Petitioner's right to own a gun, when in fact the Petitioner is a Hunter and a Bill Fisherman, that Petitioner's rights have to be restored immediately by the Court.

Petitioner specifically Petitions this Court from his original Veterans Affair 1973 application, that Petitioner will ask for a 'Jury Trial' in this matter as a Complex Litigation Complaint, that will litigate, once Petitioner has been given his 100% Service Connected Disability award that was originally given to Petitioner in 1973 and stolen at Veterans Affair so the remaining damages, that Petitioner has suffered, that are subject of this proceeding, can be adjudicated. The Damages that Petitioner has suffered have been intentionally caused, by the Respondents, and each of them, in this matter, with over fifty one (51) years of monthly

violations of the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES monthly, including the money laundering and identity theft violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) with the stolen benefits of Petitioner's 100% Service Connected Disability Benefits, including the Petitioner's 1973 GI BILL schooling and educational benefits. Veterans Affairs Union Membership has been dictating to the Veterans Affairs facilities through out the United States with the alert that is placed in the Veterans over fifty one (51) years that is fifty-six (56) years, six hundred seventy (670) months, from February 1968 to February 2024.

The reason Petitioner is always downgraded in his applications requesting an upgrade in his benefits, after approximately five (5) decades, is because the Veterans Affairs, the Respondents, and each of them, in which, the Petitioner's Veterans Affairs Profile, has the clear actual proof of of Petitioner's 100% service connected disability since 1973.

Petitioner's Profile has been in existence as 100% Service Connected Disability Benefits since 1973 that Donald Lee Karr has obtained Petitioner's Benefits since 1973 violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 &

### **2384 & 28 USC § 2412 Crimes Against Petitioner!**

Petitioner's actual damages have been caused by Veterans Affairs and their Union Employees, the Respondents, and each of them, that intentionally caused Petitioner to not be given his 100% Service Connected Benefits by preventing Petitioner from obtaining his benefits in 1973.

The Petitioner's damages, include but are not limited to, slandering Petitioner and his personal credit because it is an undisputed fact Petitioner is 100% Service Connected Disabled since 1973 so he has no medical bills or any costs to pay they are all Veterans Affairs bills without question, this has been over fifty one (51) years of fraud, fraudulent writings and fraudulent representations about Petitioner's status as a Veteran that is 100% Service Connected Disabled Veteran, it is an undisputed fact that this is subjecting Petitioner to false writings, that has caused Petitioner's Defamation of his Civil Rights as a Veteran, and Defamation of his Character, because Veterans Affairs has treated him with prejudice, for over fifty one (51) years, that is actually fifty-six (56) years of his actual benefits so Petitioner can't be upgraded.

Neither coercion, corruption, nor common deification theories satisfactorily explain why conditions on obtaining Petitioner's benefits, that pressure preferred liberties should receive the same strict scrutiny as direct constraints. None of these three approaches suffices: coercion theory focuses too narrowly on the individual beneficiary, germaneness theory focuses wrongly on [the corruption of the] Veterans Affairs legislative process, and inalienability theory focuses too generally on problems with exchange. (Id. at 1489-90)

This argument that Veterans Affairs sets 100% Service-Connected Disability benefits without regard to the Veterans actual disabilities determined by the Veteran's Doctor based upon

medical tests argues for an alternative approach grounded in the systemic effects that conditions on benefits have on the exercise of constitutional rights. Such an approach starts from the proposition that the preferred constitutional liberties at stake in unconstitutional conditions cases do not simply protect individual right holders piecemeal but as actual factual undisputed facts of continuous fraudulent downgrading of Petitioner's 100% Service-Connected Disability award rating of 1973, after approximately five (5) decades. Instead, Veterans Affairs also help determine the overall distribution of power between government and right holders generally, and among classes of right holders. (Id. at 1490)

Unconstitutional conditions, no less than direct infringements, can skew this distribution in three ways. First Veterans Affairs can alter the constitutional liberties generally declare desirable some realm of autonomy that should remain free from government encroachment. Government freedom to redistribute power over presumptively autonomous decisions from the citizenry to itself through the leverage of permissible spending or regulation would jeopardize that realm. Second, an unconstitutional condition can skew the distribution of constitutional rights among right holders because it necessarily discriminates facially between those who do and those who do not comply with the condition. If government has an obligation of even handedness or neutrality with regard to a right, this sort of redistribution is inappropriate. Third, to the extent that a condition discriminates de facto between those who do and do not depend on a government benefit, it can create an undesirable caste hierarchy in the enjoyment of constitutional rights. (Id. at 1490)

Constitutional Liberty as Distribution of Veterans Benefits A systemic approach to unconstitutional conditions problems recognizes that constitutional liberties regulate three relationships: the relationship between government and the Veterans.

These intentional actions of the Respondents, and each of them, exacerbated and helped whether knowingly or unknowingly the Veterans Affairs and their infrastructure within the Veterans Affairs Computer System to carry out massive money laundering, identity theft, bank fraud, mail fraud, robbery and extortion of Veterans and their benefits, which Petitioner is only one, of perhaps five million (5,000,000) veterans, that has suffered damages and loss like the Petitioner's 1973 award of 100% Service Connected Disability Benefits stolen since 1973 violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner.

VETERANS AFFAIR Application No. C XX XX6 558 that DONALD RICHARD KARR JR., Petitioner applied for and received in 1973 his award of 100% Service-Connected Disability Benefits but did not receive his award of his benefits, that was done with VETERANS AFFAIR Application No. C XX XX6 558 that were veterans file numbers that were discontinued on or about 1979, at Veterans Affairs.

Petitioner has never received his actual 1973 award for his 100% Service-Connected Disability Benefits that Veterans Affairs, the Respondents, and each of them, have stolen from Petitioner!

Petitioner's award of his 100% Service-Connected Disability Benefits were redirected by Veterans Affairs in 1973, and their infrastructure within the Veterans Affairs Computer System, was used to carry out the money laundering, identity theft, bank fraud, mail fraud, robbery and extortion of Petitioner's 100% Service-Connected Disability Benefits.

It is clear that it is an undisputed fact Veterans Affairs, the Respondents, and each of them,

actions of the Veterans Affairs Employees, including Veterans Affairs Employee Donald R. Karr, and his son Donald Lee Karr actions, violations of 18 U.S.C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, that are in fact Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft and 1029 (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act; with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that are undisputed in their actions against Petitioner that they have intentionally violated the Government contract with veterans who have served in the military under honorable conditions in Petitioner's provisions since 1973 to create the Tortuous Breach of Contract, Fraud, Fraudulent Ratings and Writings, Slander of Personal Credit, Slander and Libel, Punitive Damages for the Harassment of a Whistle Blower, Defamation of Petitioner's Civil Rights, Defamation of Character. of the Petitioner at Veterans Affairs, forcing Donald Richard Karr Jr., Petitioner into Poverty since on or about November 2011, and into Homelessness, while said wrongful acts and prejudice of Donald Richard Karr Jr., Petitioner, has subjected Petitioner to prejudice at Veterans Affairs and attempts on Petitioner's life at Veterans Affairs.

The undisputed fact is the reason Petitioner is charged illegal Copay charges from Veterans Affairs, when Petitioner is a 100% Service Connected Disabled Veteran but Veterans Affairs refuses to give him his award, now including illegal TRICARE Insurance charges that Petitioner could qualify for this TRICARE Insurance and has qualified because they are using

Petitioner's Original Petition for 'Case of First Impression with Special Circumstances Including Veterans Affairs Attempted Murder of Petitioner Donald Richard Karr, Jr. CXXXX6558 - Obstruction of Justice with Stolen Petitioner's Veterans Benefits since 1973' Pattern of Racketeering Activity 18 U.S.C. §§ 1961(5), 1962(c) and (d) Writ of Mandamus 28 U.S.C.A. § 1651 (a) December 31<sup>st</sup> 2024 Page 140 of 239

his social security number he obtained in the State of Michigan violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, but in Petitioner's case he is 100% Service Connected Disabled Veteran because of his sixth week of Basic Training in the hospital at Ft. Ord California in February 1968!

Petitioner has not been paid his 100% Service Connected Disabled Veteran stolen benefits since 1973, that it can be determined Veterans Affairs money laundering and identity theft of Petitioner's 100% Service Connected Disability are stolen by Veterans Affairs, the Respondents, and each of them, six to twelve times each year (6-12) times each year, when Veterans Affairs employees in approximately twenty-five (25) locations get into Petitioner's Veterans Affairs Profile electronically turning it on, then turning it off, so that they could access Petitioner's Veterans Affairs Profile to take an estimated \$5,000,000 each time minimum of six (6) separate times per year once the Respondents, and each of them, take money by money laundering and identity theft of Petitioner's 100% Service Connected Disability from Petitioner's Profile at Veterans Affairs that could be taking a minimum of six (6) times @ \$5,000,000 or \$30,000,000 times twenty-five (25) locations get into Petitioner's Veterans Affairs Profile electronically turning it on, then turning it off totaling \$750,000,000 minimum in the Veterans Affairs money laundering and identity theft of Petitioner's 100% Service Connected Disability are stolen by Veterans Affairs, the Respondents, and each of them, every year.

The best and most recent demonstration by Kathy Malin, of Veterans Affairs, the Respondents, and each of them, in their money laundering and identity theft of Petitioner's

100% Service Connected Disability Benefits violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, on or about October 1st 2018, October 11<sup>th</sup> 2018, November 5<sup>th</sup> 2018, November 6<sup>th</sup> 2018 and November 13<sup>th</sup> 2018 when she accessed Petitioner's Veterans Affairs Profile to access Petitioner's benefits five (5) separate times, for her false communication, false writing, as common situation in her daily embezzlement routine at Veterans Affairs, through turning the Petitioner's Veterans Affairs Profile on and then off so that she could access Petitioner's Veterans Affairs Profile to take an estimated \$5,000,000 each time five (5) separate times.

Petitioner's Veterans Affairs Profile accessed electronically in Boise, Idaho Veterans Affairs by Kathy Malin Regional Director for the sole purpose of taking money from Petitioner's Veterans Affairs Profile in her money laundering and identity theft of Petitioner's 100% Service Connected Disability Benefits, but not for any other purpose because she knows Petitioner's address was not 1620 East Sherman in Coeur d' Alene, Idaho 83814! The address shows in Petitioner's Veterans Affairs Profile as Petitioner's address to be 212 W. Ironwood Drive #D544, Coeur d' Alene, Idaho 83814 not 1620 East Sherman in Coeur d' Alene, Idaho 83814 in Petitioner's Profile in the Veterans Affairs Computer. Petitioner's address is not 1620 East Sherman in Coeur d' Alene and Boise, Idaho Veterans Affairs, Kathy Malin Regional Director, intentionally sent the mail to Petitioner, at the wrong address, so that she could access Petitioner's Veterans Affairs Profile to take an estimated \$5,000,000 each time five (5) separate times.

The reason she sent so many letters (were sent by Kathy Malin was based upon her ability

to take money from Petitioner's Veterans Affair Profile) because in July 2018 Petitioner put a change of address in at the Coeur d' Alene Post Office that he had moved from 1620 East Sherman to his new address was 212 W. Ironwood Drive #D544, Coeur d' Alene, Idaho 83814 that he had imputed into the Veterans Affair Computer by a clerk at the Veterans Affair CBOC in Coeur d' Alene facility. It is an undisputed fact that Boise, Idaho, Veterans Affair, Kathy Malin Regional Director, lied about not knowing what Petitioner's mailing address in Coeur d' Alene, was because she knew Petitioner's address was in fact 212 W. Ironwood Drive #D544, Coeur d' Alene, Idaho 83814 but she sent said mail to 1620 East Sherman in Coeur d' Alene, Idaho 83814 when it was no longer a HOMELESS SHELTER and had closed and was sold to a new owner, since it has become a Park with no mail facility to accept any mail!

Veterans Affair in Boise, Idaho Veterans Affair Kathy Malin Regional Director wanted to access Petitioner's profile, violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, knowing that Petitioner receives no services from Idaho Veterans Affair or CBOC Veterans Affair Coeur d' Alene, Idaho, so she could obtain approximately \$5,000,000 five (5) times through mail fraud, bank fraud, money laundering and identity theft, because the employees at Veterans Affair in Management, the Respondents, and each of them, violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029

Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. §3) as an undisputed fact are involved in violations of the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES, identity theft and other RICO Act crimes there were not reason for her to lie about Petitioner's address!

The undisputed fact is that Boise, Idaho Veterans Affairs Kathy Malin Regional Director has no jurisdiction with Petitioner's benefits because her office is approximately four hundred miles from Petitioner, because Spokane Veterans Affairs and CBOC Veterans Affairs Facility in Coeur d' Alene is managed by Spokane Veterans Affairs, render all of Petitioner's Veterans Affairs Services or have rendered any service to the Petitioner. Boise, Idaho Veterans Affairs has never rendered any services to Petitioner!

Boise, Idaho Veterans Affairs Kathy Malin Regional Director to contact Petitioner for any services, including medical services from Boise almost four hundred (400) miles from Petitioner, when he has Choice Doctors, so his communications for services is only with Spokane Veterans Affairs, not Boise, Idaho.

Veterans Affairs Kathy Malin Regional Director only purpose in contacting Petitioner, was to subject Petitioner to her intentional RICO predicated Acts violations including the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device

fraud by the Government) rising to the as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) that has been an over fifty one (51) year Veterans Affairs RICO Organized Crime Group, that have stolen Petitioner's 100% Service Connected Disabled benefits since on or about September 1973.

Veterans Affairs's independence is predicated on 'good faith' judgments in their decision-making is non existent. It was never intended by Veterans Affairs, the Respondents, and each of them, to Act in 'Good Faith' but for Veterans Affairs 'bad-faith' judgments to create their false writings, in their decision-making, where a person or employee of Veterans Affairs, the Respondents herein, Judgement knowingly and deliberately disregards the facts and law of this case.

These Actions be Veterans Affairs are properly the subject of disciplinary review, irrespective of whether it is correctable on appeal.

An egregious error is also misconduct, since its nature and/or magnitude presuppose that a Veterans Affairs employee or a Respondent herein, judgment acted willfully, or that the employee is incompetent.

Dr. Glen Volyn, Petitioner's Choice doctor, has once again established Petitioner's 100% service connected disabled conditions, since Veterans Affair in Reno Nevada when Petitioner had his surgery when he was in Reno in 2004-2005, that include, but are not limited to, Chronic Bronchitis #6600 (which has been from childhood, because of Petitioner's small and large bronchial tubes, the reason Petitioner, DONALD RICHARD KARR JR., spent his sixth week of Basic Training in hospital in February 1968). Petitioner's Chronic Bronchitis #6600 with the trigger of mold and cedar allergies, caused Petitioner's Asthma to send him to the hospital at Fort Ord California. Petitioner's type 2 diabetes also discovered at Veterans Affair in Reno, Nevada in 2004-2005, have now progressed to COPD #6604 and finally PTSD. Petitioner's Chronic Bronchitis #6600 has turned into COPD #6604 for which Petitioner, DONALD RICHARD KARR JR., uses Anoro Ellipta.

Petitioner, DONALD RICHARD KARR JR., has been diagnosed with type 2 diabetes and Tinnitus by Veterans Affairs in June 2015 (but also diagnosed with type 2 diabetes in Reno Nevada Veterans Affairs in 2004-2005) but did not receive any upgrade of 30% Service Connected Disabled, because Veterans Affairs refused to give him an upgrade for this diabetic award Veterans Affairs, the Respondents, and each of them, claimed it was non service connected, when Petitioner has family history of diabetes. Clearly the Petitioner is treated with prejudice and subjected to the Veterans Affairs and the Respondents, and each of them, false writings and fraudulent awards because Petitioner's were given to Petitioner but were redirected to Donald R. Veterans Affair because they were given to Donald Lee Karr a violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, has right hand and left hand Dupuytren's disease condition, 100% Non Service Connected Disability for PTSD, and 100% Service Connected Disability for Sleep Apnea for which Petitioner, DONALD RICHARD KARR JR., needs to use a CPAP machine (but to replace it now, a CPAP machine by Veterans Affair where the machine mask can be cleaned, because Veterans Affair has continue to refuse Petitioner his request and his diabetic shoes, from Veterans Affair).

Dr. Arturo R. Llanos MD Gold Team, overdose and attempt to murder Petitioner, with Juanita Lenzo Gold Team RN efforts, began when Juanita Lenzo Gold Team RN began using a toxic mixture on or about October 23<sup>rd</sup> 2013, when she and Dr. Arturo R. Llanos MD Gold Team, gave the drug overdose and toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025% to KILL Petitioner. The premeditated attempt of Dr. Arturo R. Llanos MD Gold Team, with Juanita Lenzo Gold Team RN for the drug overdose and toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025% to KILL Petitioner was intentional and done with their thought that would kill Petitioner. Several Days later Petitioner saw Dr. Arturo R. Llanos MD and his son at Walmart in Kerrville when he looked at Petitioner as though he saw a GHOST when he and his son ran out of Walmart, leaving Petitioner with no doubt that he wanted to his Petitioner by overdose. Petitioner has since read that a medical group tested Symbicort to find it kills over five (5) percent of the patients that use it. Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair use toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025% to try to kill Petitioner, DONALD RICHARD KARR JR.

Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair used a toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025%, that Petitioner is now allergic to, in his premeditated attempt to try to murder and kill Petitioner by overdose. Petitioner, DONALD RICHARD KARR JR., medical records, in fact now show Petitioner in 2013 had to go to the Boerne, Texas Methodist Hospital Emergency Room to overcome the attempted murder of Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair that used a toxic mixture of Symbicort, combined with Flunisolide Nasal Solution USP, 0.025%, to try murder Petitioner by overdose.

Petitioner's doctors Dr. William John Ryan January 2014 breathing tests and the November 2017 exacerbation and breathing tests of Dr. Kevin Chang proved that Petitioner has Chronic Bronchitis #6600 disease condition as his primary condition due to small bronchial tubes and Emphysema #6603 disease condition and COPD #6604 disease conditions.

The Emphysema #6603 disease condition and COPD #6604 disease conditions are shown in Methodist Boerne Emergency Room notes of the three (3) Board Certified ER Doctors Becky Doran MD (November 10, 2013 visit to ER); Liza Chopra MD (November 27, 2013 visit to ER); and Craig Gerstenkom MD (November 31, 2013 visit to ER); that established Petitioner's COPD #6604 and further test of W. John Ryan MD Board Certified Internal Medicine, test January 10<sup>th</sup> 2014 again establishes Petitioner's 100% Service-Connected Disabled conditions.

Petitioner's allergies noted in Veterans Affair Doctors notes in 2004 and 2005 at Veterans Affair in Reno Nevada when Petitioner had surgery, plus further Medical evidence shown in Petitioner's Veterans Affair medical records in 2013 and 2014 make the false writing and Veterans Affair award on or about November 4<sup>th</sup> 2013, a false and fraudulent award, as an

undisputed fact, that further evidence with the third test in August 2013, the test would have established the Petitioner was 100% Service Connected Disabled.

When Petitioner picked up the Symbicort toxic mixture from Dr. Arturo R. Llanos MD. prescribed medications on October 23<sup>rd</sup> 2013, Petitioner was told to by RN Gold Team nurse, Juanita Lenzo, to take these medications every four (4) hours, that are in fact twelve (12) hour medications, that Dr. Arturo R. Llanos tried to overdose and kill Petitioner in October 2013.

Dr. Arturo R. Llanos MD. prescribed medications on October 23<sup>rd</sup> 2013, to overdose Petitioner by using Symbicort Budesonide 80/Formoter 4.5 mcg 120 D 00186-0372-20 and Flunisolide Nasal Solution USP, 0.025% every four (4) hours.

The medications that Dr. Arturo R. Llanos had the Pharmacy at Kerrville Veterans Affairs give Petitioner on October 23<sup>rd</sup> 2013, was as an undisputed fact, for the sole purpose to kill the Petitioner.

The false and fraudulent award for the TOKEN 30% Service Connected Disability was setup because Veterans Affairs intends to kill Petitioner, and Petitioner's 100% Service-Connected Disabled Veteran benefits since 1973 were given to Donald Lee Karr.

The Veterans Affairs, the Respondents, and each of them, actions demonstrate the prejudice of Veterans Affairs toward Donald Richard KARR, Jr. Vietnam Veteran 1973 Application C-XXXX6558.

Petitioner is set up for payment of his TOKEN 30% (that is Non) Service-Connected Disabled Veterans Benefits that he received the amount given to Petitioner on or about November 4<sup>th</sup> 2013 of approximately a \$7,000 payment since the original award for his second application in Reno, Nevada on or about 2004, which clearly demonstrates that

Veterans Affair in San Antonio took money from Petitioner's 100% Service Connected Disability benefits on or about September 1973, or for that matter it is an undisputed fact Petitioner's 2004 benefits in Reno, Nevada Veterans Affair. The supervising doctor communicated to the Petitioner that Petitioner would not be given a third test in August 2013 that would mean that Petitioner would be 100% Service Connected Disabled Status. When Veterans Affair in San Antonio under the supervision of Director Marie Weldon, communicated with Houston Veterans Affair, they were told not to give the third test to Petitioner.

The private doctor working for Veterans Affair, the Respondents, and each of them, instructed the doctor performing the second test to not perform the test so a true reading and test was given without a sealed chamber because all the Respondents, and each of them, knew Dr. Arturo R. Llanos MD Gold Team at Kerrville, Texas Veterans Affair plan to murder Petitioner in his premeditated act to kill Petitioner at Veterans Affair was set up by Marie Weldon the Director at San Antonio Veterans Affair (now Marie L. Weldon Regional Director in Los Angeles) and Dr. Arturo R. Llanos were going to KILL Petitioner.

It is clear in Veterans Affair, the Respondents, and each of them, actions, a violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, are in fact, Tortuous Breach of Contract, Fraud, Fraudulent Ratings and Writings, Slander of Personal Credit, Slander and Libel, Punitive Damages for the Harassment of a Whistle Blower, Defamation of Petitioner's Civil Rights, Defamation of Petitioner's Character.

Veterans Affair, the Respondents, and each of them, have since November 2011 have been forcing Donald Richard Karr Jr., Petitioner into Poverty.

Petitioner's Original Petition for 'Case of First Impression with Special Circumstances Including Veterans Affair Attempted Murder of Petitioner Donald Richard Karr, Jr. CXXXX6558 - Obstruction of Justice with Stolen Petitioner's Veterans Benefits since 1973' Pattern of Racketeering Activity 18 U.S.C. §§ 1961(5), 1962(c) and (d) Writ of Mandamus 28 U.S.C.A. § 1651 (a) December 31<sup>st</sup> 2024 Page 153 of 239

Petitioner since on or about November 2011, experience of being intentionally forced into Homelessness, has been created by Veterans Affairs, the Respondents, and each of them, Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084, because they will not upgrade or award Petitioner his original 1973 award of 100% Service Connected Disability Benefits while said wrongful acts and prejudice of Donald Richard Karr Jr., Petitioner, through violations of 18 U.S.C. §§ 1028 Identity Theft, 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) are the refusal to give Petitioner his benefits.

This Petition of Donald Richard Karr Jr., Petitioner's for his original 1973 award of his 100% Service Connected Disability Benefits has been blocked by Veterans Affairs, the Respondents, and each of them for over fifty one (51) years at Veterans Affairs by Donald R. Karr, Navy Veteran and Veterans Affairs Union AFGE (AFOL-CIO) membership Employee, his son and grandson, DONALD LEE KARR, and DONALD RAY KARR. on the Federal Level, for example, 28 U.S.C.A. § 1651 (a) provides that courts "may issue all writs necessary or appropriate in aid of their respective jurisdictions and agreeable to the usages and principals of law".

However, Veterans Affairs, the Respondents, and each of them, it appears that Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service

Connected Disability Benefits since 1973, within the nine (9) years from graduated High School has become a California Licensed Tax Attorney because Veterans Affairs allowed him to assume the identity of Petitioner, DONALD RICHARD KARR JR, who is their victim of Identity Theft, and violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084, violations of 18 U.S.C. § 241 Petitioner's Civil Rights, RICO Act CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) to Donald R. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, for over fifty one (51) years, because of Donald Lee Karr, because he has assumed the identity of the Petitioner at Veterans Affairs.

The 'insidious and egregious' way of the management and operation of Veterans Affairs, by the Respondents, and each of them, in the systemic adaptation of the Veterans Affairs Computer for changes from Donald R. Karr, Navy Veteran, a Veterans Affairs Employee and other Veterans Affairs Employees, the Respondents, and each of them, plus his son, Donald

Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, now as their tax attorney (also his son DONALD RAY KARR) who lived at 22402 Robin Oaks Terrace, when he started the manipulation of Veterans Affairs Computer software, including the Vista Program, to use a second address of 22042 Robin Oaks Terrace, so that his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, could complete his money laundering and identity theft, violations of 18 U.S.C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, successfully violating the HOBBS Act 18 USC § 1951 AND RICO PREDICATED ACTS CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) that has been an over fifty one (51) year Veterans Affairs RICO Organized Crime Group, including the mail fraud and bank fraud obtaining Petitioner's 100% Service Connected Disability benefits for over fifty one (51) years.

These Civil and Criminal HOBBS Act 18 USC § 1951 AND RICO PREDICATED ACTS CYBER CRIMES must now be examined with a 'forensic audit' by an 'independent non-government auditor and audit' of Petitioner's 1973 Veterans Affairs Profile! This is the only possible way

to determine what the Respondents, and each of them, have done including Veterans Affairs RACKETEERING ACTIVITIES WITH OVER FIFTY ONE (51) YEARS OF VIOLATIONS HOBBS Act 18 USC § 1951 AND RICO PREDICATED ACTS CYBER CRIMES 18 U.S.C. §§ 1028, 1028A & § 1029 -Undisputed acts of Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084, Crimes Against Petitioner to KILL him to take his Profile by the Respondents, the Veterans Affairs Union, and each of them, their employees and agents, for their own unjust enrichment that have embezzlement the 1973 Petitioner's award of his benefits for his 100% Service-Connected Disability Benefits! Veterans Affairs has, through money laundering and identity theft, for over fifty one (51) years six hundred seventy (670) months, at Veterans Affairs, and now the Respondents, and each of them, have stolen over fifty-six (56) years through February 2024 of Petitioner, DONALD RICHARD KARR JR, 100% Service Connected Disability Benefits Award that Petitioner received in 1973 that were as an undisputed fact stolen by Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Attorney General for a criminal investigation and prosecution for **FELONY EXTORTION** under 18 U.S.C. § 1964(1)(A) or even a **CIVIL INVESTIGATIVE DEMAND** (18 U.S.C. § 1968) constitutes not only obstructions of justice under the **RICO Act** but also **Wire Fraud** under 18 U.S.C. § 1341 **FRAUDS AND SWINDLES** and 18 U.S.C. § 1343 **FRAUD BY WIRE, RADIO** through a scheme or artifice to defraud the Petitioner of his 1973 100% Service-Connected Disability Benefits preventing the Petitioner, from exercising common law rights, statutory rights, and constitutional rights from the very act of selecting Veterans Affairs with the condescending nature on tone of the ridicule, embarrass, harass, and intimidate the Petitioner from exercising his rights.

The Supreme Court set forth some guidelines on writs of mandamus in **Kerr v. United States District Court**, 426 U.S. 394, 96 S. Ct. 2119, 48 L. Ed. 2d 725 (1976), (man-dame-us) n. Latin for "we order," a writ (more modernly called a "writ of mandate") which orders a public agency or governmental body to perform an act required by law when it has neglected or refused to do so. Petitioner is unable to obtain his original 1973 award of 100% Service Connected Disability that was stolen in 1973 of his 100% Service Connected Disability rating.

Veterans Affairs will not rate Petitioner more than the **TOKEN 30% (non) service connected disabled**. When Petitioner makes any application to Veterans Affairs for any increase in benefits or when he made application in September 2016, within the Federal Court jurisdiction of the **Montana 9<sup>th</sup> Circuit Court**, **Donald Richard Karr Jr** residency and voting in Montana, that the award given to Petitioner by **Karina Hipp**, a rating person, at **VARO Veterans Affairs** in May 2016, that she stated that Petitioner was in fact 100% Service Connected Disabled, that Veterans Affairs refused to give Petitioner. Petitioner made a second filing with **Ft. Harrison Veterans Affairs** in September 2016. This Petition has been ignored in all his filings because of Veterans Affairs, The Respondents, and each of them, are violating the **RICO Predicated Acts** since 1973. This began at Veterans Affairs in the Los

Angeles area in 1973, with the Petitioner's 1973 award of 100% Service Connected Disability Benefits, including medical benefits, GI BILL and Educational Benefits, monthly 100% Service Connected Disability payments, since on or about September 1973. The Petitioner's 1973 award of 100% Service Connected Disability Benefits, including medical benefits, GI BILL and Educational Benefits, monthly that have been paid to Donald R. Karr, now former Union Employee at Veterans Affairs, his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, and his grandson Donald Ray Karr for sake of this filing with the Court, for the violations of 18 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, by Veterans Affairs, the Respondents, and each of them, of the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) has continued monthly for the last over fifty one (51) years 'without payment of taxes for the money that is Petitioner stolen 100% Service Connected Disability money since 1973, that Donald R. Karr, Navy Veteran and Union Veterans Affairs Employee, his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, Robyn Lee. Karr his wife, Jean Susan Karr, Donald Lee Karr's mother, and his son Donald Ray Karr, his wife, this does not include the stolen Petitioner's

benefits money stolen in violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLIDER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, by the Respondents, and each of them.

This prejudicial treatment of the Petitioner, DONALD RICHARD KARR JR., since 1973 by Veterans Affairs with the priorities of the Union Employees at Veterans Affairs are not based upon the medical determination, but the standard of practice used by VARO and Veterans Affairs's application review board in Houston and Wisconsin are standards without regard of Petitioner, DONALD RICHARD KARR JR., or the Veterans actual disabilities! Veterans Affairs, established Petitioner's 100% service connected disabled conditions include, but are not limited to, Chronic Bronchitis #6604 (which has been from childhood because of Petitioner's small and large bronchial tubes; the reason Petitioner, DONALD RICHARD KARR JR., spent his sixth week of Basic Training in Ft. Ord hospital in February 1968, with the allergy trigger of mold and cedar, plus cottonwood trees and poison oak, allergies, causing Petitioner's Asthma #6602 to send him to the hospital, type 2 diabetes, COPD #6604 and PTSD. Petitioner has a long history of being allergic to mold and cedar, dating back into the 1960s and 1970s. Petitioner has a history of Chronic Bronchitis #6600 due to small bronchial tubes. Petitioner's Chronic Bronchitis has turned into COPD #6604 for which Petitioner, DONALD RICHARD KARR JR., uses Anoro Ellipta. Petitioner, DONALD RICHARD KARR JR., has been diagnosed with type 2 diabetes and Tinnitus by Veterans Affairs in June 2015 but also found at RENO Nevada Veterans Affairs in 2004-2005, but did not receive an upgrade of 30% Service Connected Disabled. Veterans Affairs refused to give Petitioner an upgrade for the type 2 diabetes and Tinnitus award Veterans Affairs claimed was non service connected when he has family history of diabetes. This is in fact a false writing, false and fraudulent finding to deny Petitioner's benefits. Petitioner, DONALD RICHARD KARR JR., has right hand and left hand Dupuytren's disease

condition, PTSD and Sleep Apnea for which Petitioner, DONALD RICHARD KARR JR., needs to use a CPAP machine (Veterans Affairs will not provide and refuses Petitioner his request from Veterans Affairs). Petitioner has been refused his diabetic shoes since 2015 that means he has not received twenty two (22) pairs of shoes that Mike Olsen in Kerrville, Texas at Veterans Affairs has been taking Petitioner's diabetic shoes violations of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner since 2015. Rather than Veterans Affairs arguing about Petitioner's actual disabilities so that they can continue their money laundering and identity theft of Petitioner's benefits all the time, it makes perfect sense to be transparent, and to give Petitioner his 100% service-connected disability benefits that Petitioner should have been given in 1973!

The Veterans Affairs needs to do the same for Petitioner, like the other Veterans that were given their benefits! The undisputed fact is Petitioner almost died in Basic Training in February 1968. Rather than Down grading Petitioner to reclassify Petitioner with only the Asthma #6602/Bronchial #6600 false writing and false award, Petitioner should have been instead given his 1973 award of the Chronic Bronchitis #6600 (60% disability rating) as his primary condition and Asthma #6602 (30% disability condition) as his secondary condition, with the Petitioner's allergy trigger of mold and cedar, and now cottonwood trees and poison oak, allergies, causing Petitioner's Asthma #6602 to send him to the hospital that is in fact the 100% Service Connected Disabilities Benefits from 1973.

The Petitioner's disabilities that have now caused his Chronic Bronchitis #6600, Asthma #6602, Emphysema #6603 and COPD #6604 disease conditions, plus Petitioner did not receive an upgrade of 30% Service Connected Disabled. Veterans Affairs refused to give Petitioner an upgrade for the type 2 diabetes and Tinnitus award that now creates a major hardship for Petitioner medically with

their illegal copay charges including TRICARE Insurance payments when it is an undisputed fact that Petitioner does not qualify for TRICARE, using Petitioner's Social Security number, because Petitioner does not have TRICARE Insurance, that Veterans Affairs illegally deducts money from Petitioner's Service Connected monthly benefits violating the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that has been an over fifty one (51) years Veterans Affairs RICO Organized Crime Group that have stolen Petitioner's benefits since on or about September 1973. This has major impact on Petitioner including financially, when it is an undisputed fact Veterans Affairs is deducting money illegally from Petitioner's 30% Veterans Benefits, so that Veterans Affairs is taking twenty-five percent (25%) of Petitioner's income monthly as an undisputed fact illegally that the employees responsible for this should go to Federal Prison!

Petitioner's awareness and exposure to the Veterans Affairs Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084, prejudice and extortion through violations of the HOBBS Act 18 U.S.C. § 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents) 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2),

and as an ACCESSORY AFTER THE FACT (18 U.S.C §3) that has been an over fifty one (51) year Veterans Affairs RICO Organized Crime Group that have stolen Petitioner's benefits since on or about September 1973, racketeering activities under the RICO Act by Veterans Affairs Employees failing or refusing to notify the U.S. Attorney General for a criminal investigation and prosecution for FELONY EXTORTION under 18 U.S.C. § 1964(1)(A) or even a CIVIL INVESTIGATIVE DEMAND (18 U.S.C. § 1968) constitutes not only obstructions of justice under the RICO Act but also Wire Fraud under 18 U.S.C. § 1341 FRAUDS AND SWINDLES and 18 U.S.C. § 1343 FRAUD BY WIRE, RADIO through a scheme or artifice to defraud Petitioner's of his 1973 award of his 100% Service-Connected Disability Benefits, preventing Petitioner from his exercising common law rights, statutory rights, and constitutional rights from the very act of selecting Veterans Affairs with the condescending nature on tone of the ridicule, embarrass, harass, and intimidate the Petitioner from exercising his rights.

Petitioner is hopeful that he can soon have Veterans Affairs comply with the rule of law, finally be ordered by the Court's order so this can now be corrected very soon. Compliance ordered by the court of all of this can be taken care of so Petitioner is no longer treated with prejudice by Veterans Affairs, that the Veterans Affairs is transparent with this matter!

The Veterans Affairs Organized Crime Families at the Veterans Affairs facilities are involved in **Title 28 USC § 2412 TREASON and TREASON 18 U.S.C. § 2381 AND 2084**, money laundering and identity theft with the Veterans Affairs Employees, the Veterans Affairs Union AFGE (AFOL-CIO) membership, the Respondents, and each of them, have redirected Petitioner's 100% Service-Connected Disability Benefits to for payment for their own unjust enrichment, Donald R. **Crimes Against Petitioner**, because Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, assumed the identity of Petitioner when Donald Lee Karr graduated from high school so that he could use Petitioner's benefits, to go to UCLA and UCLA Law School that currently costs approximately \$55,000 per semester payment to UCLA for tuition, to attend UCLA Law School, that Donald R. Karr, Navy Veteran and Veterans Affairs Employee, could not afford to pay as a Veterans Affairs Employee. Petitioner has been the victim of prejudice, and has had his GI BILL Educational Benefits given to Donald Lee Karr and his son Donald Ray Karr. Veterans Affairs for over fifty one (51) years, because of Donald R. Karr, Navy Veteran and Veterans Affairs Employee, the Respondents, and each of them, in Petitioner's filing stopped Petitioner from obtaining his the May 2016 upgrade of his benefits to 100% Service Connected Disability and Veterans Affairs in fact refused his benefits after Katrina Hipp told he was 100% Service Connected Disabled.

Petitioner, Donald Richard Karr, Jr., did not live at 22402 Robin Oaks Terrace, Diamond Bar, California 91765 or 22042 Robin Oaks Terrace, Diamond Bar, California 91765 (that is not an address in Diamond Bar).

Petitioner, Donald Richard Karr, Jr. purchased a home at 3528 Crooked Creek in Diamond Bar, California 91765 where he lived with his wife Cynthia Lee Karr plus his daughter Andrea Karr born in September 1974 that Petitioner never received compensation for from Veterans Affair. Now currently Veterans Affair pays no compensation and Petitioner receives no compensation for his wife and children, only himself and only a monthly income of \$524.31 for 30% Service Connected Disability Benefits, because CBOC in Coeur d' Alene Idaho refuse Petitioner any medications from Dr. Stephen Keck MD, nurse, till he could move to Bozeman, Montana in mid January 2025. Clearly Veterans Affair doesn't like the burden of Plaintiff Donald Richard Karr Jr. because they are already paying Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, and why should they spend any money on Plaintiff Donald Richard Karr Jr who served and earned the benefits for his service during the Vietnam War. Petitioner's father Donald Richard Karr, Sr., (and mother Arlene Jane Karr) lived at 20938 Flapjack Drive in Diamond Bar, California where the Petitioner, Donald Richard Karr, Jr., lived prior to joining the Army in September 1967 on the delayed enlistment program.

This Identity Theft was created by Donald R. Karr, Navy Veteran and Veterans Affairs Employee, so he could set up his son, DONALD LEE KARR (who son Donald Ray Karr was born in September 1985 and by undisputed fact Petitioner's daughter Andrea was born in September 1974).

Now over fifty one (51) years or fifty-six (56) years since February 1968 when Petitioner, Donald Richard Karr, Jr., spent his sixth week of basic training in February 1968 in the hospital at Ft. Ord, California. Petitioner was running to the rifle range in the rain all week his fifth week of basic training. These are undisputed facts and Petitioner's stolen benefits, have been stolen by the Veterans Affairs Union Employees, Respondents, and each of them, for six hundred seventy (670) months through February 2024, that was specifically accomplished as their RICO ACT Crimes at Veterans Affairs with their modifications of the Veterans Affairs Computer.

The Government and Veterans Affairs should have reported the Induction Center's medical findings to PETITIONER on December 28, 1967. The Government of the United States continues to breach of their duty and contract with the PETITIONER, acting in bad faith, to fraudulently and intentionally continue the Government's tortuous breaches of same! The PETITIONER has suffered as a result of their evil, onerous, burdensome, malicious and wanton abuses including health care violations and actions of the Government and its agents and employees over fifty-one (51) years.

Based upon a long history of continued intentional abusive behavior, starting on the first day of entering into contract with the Government of the United States, who established a bad faith agreement with PETITIONER and enter into the original contract with PETITIONER on December 28, 1967 the Government now continues the 'tortuous breaches of the contract in bad faith'!

The Government of the United States in their repeated refusal of egregious actions, that are onerous and burdensome failures to disclose where PETITIONER military records are, including but not limited to, the entire medical history and records of PETITIONER, since December 28, 1967 has become hopeless for the Petitioner to obtain said records from the Government or

Veterans Affair.

The Government of the United States continues to hide where the entire medical history and records of PETITIONER exist or are stored prior to his coming to San Antonio, while it continues to establishes a bad faith contractual arrangement with PETITIONER that the Government completely ignores any contractual duty to the PETITIONER and the Government correspondence of same and made hereof by this reference as a part of this Petition received as a letter from Honorable Lamar Smith Member of Congress in efforts to obtain medical records. Lamar Smith's office as inquired in Houston for the medical records, for all of the medical records and was unable to get these records for the Petitioner!

The Government's actual repeated intentional breaches of their contract with PETITIONER are clear in a pattern of bad faith dealings commencing from the time of the first said breach that has been established on or about December 28, 1967 when PETITIONER joined and enlisted in the United States Army and all military records of PETITIONER began.

The EXTRAORDINARY DUTY and Oral Contract (and at times a written agreement) with the Government of the United States that PETITIONER entered into in good faith with the Government of the United States on December 28, 1967 can be best represented by the Governments DD-214 that all veterans use as proof that they are in fact Veterans of the Armed Services of the Government of the United States and made hereof by this reference as a part of this Petition. Veterans Affair refusal to rate Petitioner on or about November 4<sup>th</sup> 2013 with 100% Service-Connected Disability, with his Chronic Bronchitis #6600, Asthma #6602, Emphysema #6603 and COPD #6604 disease conditions that remains so that there is a false and fraudulent award rating of 30% Asthma #6602/ Chronic Bronchitis #6600 Service-Connected Disability that creates a false finding and creates a major hardship for Petitioner, including financially because Veterans Affairs refuses Petitioner's medications, and charges Petitioner illegal copay for his

medications that are sent to Petitioner that Veterans Affairs and its employees continue to willfully and knowingly make and use false writing and documents, knowing the same to contain materially false, fictitious and fraudulent information and statements about Petitioner's 1973 award for his service-connected award and benefits, from Veterans Affairs of his 100% Service-Connected Disability Award!

Veterans Affairs refusal to upgrade Petitioner over twenty-six (26) times that Petitioner has qualified when he qualified for his 100% Service-Connected Disability Benefits that is in fact an undisputed fact for said payments in Los Angeles in 1973, obtaining the 1973 C-XXXX6558 application number for his 100% Service-Connected Disability Benefits:

1. On or about June 1973 for Petitioner's initial application and award in Los Angeles Veterans Affairs C-XXXX6558 for 100% Service-Connected Disabled Veterans Benefits.

DONALD RICHARD KARR JR, the Petitioner, Filed In Pro Per

U. S. ARMY VIETNAM ERA VETERAN RAXXXX7616, 1973 application and VA FILE NO. CXX XX6 558

The Court may issue a Peremptory Writ of Mandamus as the Rule of Law. This Petition and this 'Case of First Impression with Special Circumstances, including Attempted Murder by Veterans Affair Employees' brings the Fraud, RICO violations of 18 U.S.C. §1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) for over fifty one (51) years that among the many crimes of the Veterans Affair Management and Employees that demonstrates the conflict of interest within Veterans Affair to treat veterans with transparency a public agency or governmental body has to perform an act required by law when it has neglected or refused to do so for over fifty one (51) years [which Veterans Affair and its employees have stolen fifty-six (56) years six hundred seventy (670) months through February 2024, six hundred eighty two (682) months February 2025 of Petitioner's 100% Service Connected Disability Benefits].

The undisputed fact is that Veterans Affair has established two (2) sides to Petitioner's Profile, which

Petitioner is in the non service-connected side that he receives no benefits for medical or medications, no schooling benefits, no payments of his Choice Doctors or Dentist, that it is an undisputed fact Petitioner benefits are locked at 30% non Service Connected Disability Benefits, that Petitioner can't be up graded, and he has never been upgraded since approximately September 1973 when he made his first application for benefits on or about June 1973 subsequent to first application no. CXXXX 6558 on or about June 1973. The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, son of Donald R. Karr, Veterans Affairs Employee and other Veterans Affairs Employees working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner his service connected benefits, Petitioner as a Veteran is entitled to all of his 100% Service Connected Disability Benefits plus 100% GI BILL Educational Benefits.

Respondents Veterans Affairs with their Imputed Negligence, Obstructing Justice, and Conspiracies to Obstruct Justice as Predicated Acts of Racketeering Activities under the RICO Act Against Petitioner since 1973 are obligated to pay for Petitioner's 100% Service-Connected Disability benefits since February 1968, not the downgrading rating locking Petitioner's benefits at the 30% service-connected disability for Asthma/Bronchial.

State of Idaho )

) S.S.

County of Kootenai )

**Asthma/Bronchial #6602** that has not a rating at all, Petitioner has Chronic Bronchitis #6600 and Asthma #6602 with these ratings, that Petitioner was given in 1973 at Veterans Affairs, which is 90% Service Connected Disability Award rating by itself, that included that fact Petitioner was allergic to the Cedar Barracks and Petitioner was diabetic that is an additional 40% Service-Connected Disability that is in fact 130% in 1973! That makes the Veterans Affairs award on or about November 4<sup>th</sup> 2013 a false and fraudulent award for the TOKEN 30% Service-Connected Disability! Veterans Affairs Torturous Breach of Contract in each application with violations of the HOBBS Act and RICO Act predicated denial with prejudice on at least a minimum of twenty-six (26) upgrades and Notices of Disagreements to Veterans Service Center Managers of Petitioner's 100% Service-Connected Disabled Veterans Status since 1973!

9. When Dr. Llanos tried to overdose Petitioner on or about October 23<sup>rd</sup> 2013 it was intentional! Dr. Arturo R. Llanos attempt to murder Petitioner meeting the demand of Marie L. Weldon, Director of Veterans Affairs in San Antonio to murder Petitioner for his benefits! Dr. Arturo R. Llanos premeditation of murdering Petitioner by overdose, with the knowledge of Marie L. Weldon, Director of Veterans Affairs in San Antonio, purpose of KILLING ME, because Marie L. Weldon, Director of Veterans Affairs in San Antonio wanted Dr. Llanos to KILL ME was to obtain payment of Petitioner's benefits! Petitioner saw Dr. Llanos and his son on or about October 28<sup>th</sup> 2013 in Walmart in Kerrville Texas and Dr. Arturo R. Llanos looked at Petitioner as though he saw a Ghost! Immediately Dr. Arturo R. Llanos taking his son and immediately running out of the store because Dr. Arturo R. Llanos thought Petitioner was already dead! NOW because of the three (3)

Methodist Boerne Emergency Room visits Petitioner uses strong 60 mg doses of the Prednisone Medication are required for Petitioner to bring him out of the pneumonia that Petitioner gets up to ten times a year!

10. On or about March 19, 2012 for Petitioner's third application and award through DAV efforts on or about March 19, 2012 in San Antonio Veterans Affairs Application C-XXXX6558 for 100% Service-Connected Disabled Veterans Benefits that resulted in the TOKEN 30% Service-Connected Disabled Veterans benefits. Petitioner should have been given 40% service-connected disability that is noted in the above paragraphs to add with his actual 90% Service-Connected Disability Award rating by itself because it is two ratings Chronic Bronchitis #6600 and Asthma #6602 that also includes the fact that in 1973 that makes the minimum total of 100% Service-Connected Disabled Veterans Benefits

11. On or about November 4<sup>th</sup> 2013 in San Antonio Veterans Affairs resulted in the TOKEN 30% Service-Connected Disabled Veterans benefits for C-XXXX6558 Petitioner should have been given 40% service-connected disability noted in paragraph 4 above to add with his actual 90% Service Connected Disability Award rating by itself because it is two ratings Chronic Bronchitis #6600 and Asthma #6602 that also includes the fact that in 1973 that makes the total of 100% Service-Connected Disabled Veterans Benefits.

##### COUNT 9. REFUSAL OF EDUCATION BENEFITS & LIVELIHOOD

##### TORTUOUS BREACH OF CONTRACT WITH PUNITIVE DAMAGES

Veterans Affairs Management and their Employees, the Respondents, and each of them, in their intentional Wrongful Acts against Petitioner have Breached their Contract with Petitioner as a Veteran entitled to 100% Service Connected Disability Benefits plus his 100% GI BILL Educational Benefits, include but are not limited to, violations of the HOBBS Act 18 U.S.C. Section 1951, RICO ACT CYBER CRIMES 18 U.S.C. § 1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) rising to the level of Racketeering Activities under the RICO Act with RACKETEERING ACTIVITIES as a PRINCIPAL (18 U.S.C. § 2), and as an ACCESSORY AFTER THE FACT (18 U.S.C. § 3) that has been an approximately fifty one (51) year Veterans Affairs RICO Organized Crime Group that have stolen Petitioner's benefits since on or about September 1973 and are not protected by the WESTFALL Act of 1988 28 U.S.C. § 2679.

Petitioner is entitled to Punitive Damages from the Respondents, and each of them, for their wrongful acts against the Petitioner in their over fifty one (51) years of the RICO Act violations and refusal of his benefits. Petitioner is entitled to Punitive Damages against the

Respondents, and each of them, for their wrongful acts against the Petitioner in their over fifty one (51) years of the RICO Act violations and refusal of Petitioner's GI BILL Education Benefits and educational benefits, making it impossible for the Petitioner to return to Petitioner's profession, unable to work in his Profession as a licensed California General Engineering Contractor (A) and Building Contractor (B). Veterans Affairs refusing to help Petitioner use his Veterans Educational Benefits to become a license as a licensed California General Engineering Contractor (A) and Building Contractor (B) starting 2011. The Petitioner was not allowed his benefits because (Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973 and his son Donald Ray Karr had used all the education benefits to go to UCLA) there were no education benefits for Petitioner to get re-licensed as a General Engineering Contractor (A) and Building Contractor (B). Veterans Affairs has refused Petitioner, any and all additional benefits the last thirteen (13) years. Petitioner has been prevented from working as a General Engineering Contractor (A) and Building Contractor (B) and Engineering Land Planner. Petitioner has been unable to work as a General Engineering Contractor infrastructure builder. Petitioner's private sector development experience includes successfully acquiring infrastructure public sector bond inducements agreements with Riverside County California totaling \$750,000,000.00 for his project on this City of Perris, California (Riverside County) project, encompassing some 1,300 acres with 8,800 residential units and 396 acres for commercial and industrial R&D project plus two (2) additional infrastructure public sector bond inducements agreements for two (2) additional \$300,000,000 Riverside County Projects in 1986, when the bond market crashed in March of 1986 he was unable to proceed with his Joint Venture Partner Banker's Trust in New York

would not proceed.

Petitioner as an architectural and engineering designer and architectural and engineering builder, including infrastructure and home building developments can start from inception to completion of the entire community as a private gated Planned Unit Development. However it is Veterans Affairs position that Veterans should go work at Mc Donalds instead. Petitioner has been prevented by the Respondents, and each of them, from obtaining any and all of his educational benefits or working in his profession to earn his livelihood. Veterans Affairs, the Respondents, and each of them are positioned to steal the Veterans Benefits and give the Veterans nothing because they should instead work at Mc Donalds or Jack in the Box. Veterans Affairs refuses Petitioner his 100% Service Connected Disability Benefits, when it is an undisputed fact Petitioner was never given his award on or about September 1973 for his 100% Service Connected Disability Benefits or his GI BILL Education Benefits promised him as a Veteran.

Veterans Affairs instead gave Petitioner's benefits to DONALD R. KARR, Navy Veteran, Veterans Affairs Employee, and his son Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, in violation of 10 U. S. C. § 906 ART 106 IMPERSONATING A SOLDIER, A FELONY, EACH AND EVERY MONTH SINCE FEBRUARY 1968, these Undisputed Acts of TREASON, 18 U.S.C. § 2381 & 2384 & 28 USC § 2412 Crimes Against Petitioner, so that Petitioner's benefits were sent to his address of 22402 Robin Oaks Terrace, Diamond Bar, California 91765 or a PO BOX, redirected to DONALD R. KARR, Navy Veteran, Veterans Affairs Employee, by the United States Department of Veterans Affairs. Most recently, in the last thirteen (13) years since

Petitioner came to San Antonio Texas Veterans Affairs Petitioner's benefits were again stolen in 2011 by the Respondents, and each of them, the Employees at Veterans Affairs in San Antonio Texas, including but not limited to, Marie L. Weldon, Director at San Antonio, Texas and David J. Caudill her assistant, this has created a loss of income for Petitioner.

Veterans Affairs refuses all educational benefits to Petitioner so that he is unable to study and retake the Bar to become a Licensed Attorney to Practice Law to proceed with obtaining his benefits, or obtaining a General Engineering (A) Contractors and General Building (B) Contractors License Test which Petitioner scored a 97% when he originally took in 1976. Veterans Affairs was promised his education benefits as a Veteran but Veterans Affairs, the Respondents, and each of them refuse Petitioner his education benefits. Petitioner could return to his Development business as a Hillside and Master Planned Community Designer, if Veterans Affairs, the Respondents, and each of them, would give him his education benefits promised him as a Veteran, their wrongful acts vented with their prejudice of Petitioner, wrongfully subjecting Petitioner, in their over fifty one (51) years of the RICO Act violations, refusal of his benefits solely because Petitioner's name is KARR so that his benefits can be stolen by DONALD R. KARR, Navy Veteran, Veterans Affairs Employee, the United States Department of Veterans Affairs. Veterans Affairs Employees, Respondents and each of them, wrongful acts to be acted upon by Petitioner setting up the Petitioner to believe that he could get an upgrade in benefits or that he could get his Educational benefits from Veterans Affairs was intentionally in Bad Faith.

Petitioner relied upon these representations, which caused his injury as set forth herein. Veterans Affairs Employees and Respondents wrongful acts that have induced Petitioner to act in a matter which Veterans Affairs Employees and Respondents wrongful acts have

obtained the Service-Connected Disability Benefits of Petitioner through Petitioner's Profile was Electronically Turned On and Off without an upgrade of benefits, theft of same without intention of paying Petitioner, all Respondents be required to account for all gains, profits, and advantages derived from their several acts of racketeering in violation of 18 U.S.C. § 1962(d) supra and from all other violation(s) of applicable State and federal law(s).

DONALD RICHARD KARR JR, the Petitioner, Filed In Pro Per

U. S. ARMY VIETNAM ERA VETERAN RAXXXX7616, 1973 application and VA FILE NO. CXX XX6 558

The Court may issue a Peremptory Writ of Mandamus as the Rule of Law. This Petition and this 'Case of First Impression with Special Circumstances, including Attempted Murder by Veterans Affairs Employees' brings the Fraud, RICO violations of 18 U.S.C. §1028 Identity Theft (fraud in connection with identification documents), 18 U.S.C. § 1028A Aggravated Identity Theft (occurs when someone knowingly transfers, possesses, or uses without permission, identification of another person, and then uses that identification during and/or in relation to the act of a particular felony violation) and 18 U.S.C. § 1029 Identity Theft (access device fraud by the Government) for over fifty one (51) years that among the many crimes of the Veterans Affairs Management and Employees that demonstrates the conflict of interest within Veterans Affairs to treat veterans with transparency a public agency or governmental body has to perform an act required by law when it has neglected or refused to do so for over fifty one (51) years [which Veterans Affairs and its employees have stolen fifty-six (56) years six hundred seventy (670) months through February 2024, six hundred eighty two (682) months February 2025 of Petitioner's 100% Service Connected Disability Benefits].

The undisputed fact is that Veterans Affairs has established two (2) sides to Petitioner's Profile, which

Petitioner is in the non service-connected side that he receives no benefits for medical or medications, no schooling benefits, no payments of his Choice Doctors or Dentist, that it is an undisputed fact Petitioner benefits are locked at 30% non Service Connected Disability Benefits, that Petitioner can't be up graded, and he has never been upgraded since approximately September 1973 when he made his first application for benefits on or about June 1973 subsequent to first application no. CXXXX 6558 on or about June 1973. The reason why Petitioner is not given these upgrades or ratings is because Donald Lee Karr also known as Donald Richard Karr who is in fact, as an undisputed fact, the Petitioner/Plaintiff that Donald Lee Karr has stolen Donald R. Karr Jr. 100% Service Connected Disability Benefits since 1973, son of Donald R. Karr, Veterans Affairs Employee and other Veterans Affairs Employees working with Donald R. Karr, Navy Veteran, the Respondents, and each of them, refuse the Petitioner his service connected benefits, Petitioner as a Veteran is entitled to all of his 100% Service Connected Disability Benefits plus 100% GI BILL Educational Benefits.

Respondents Veterans Affairs with their Imputed Negligence, Obstructing Justice, and Conspiracies to Obstruct Justice as Predicated Acts of Racketeering Activities under the RICO Act Against Petitioner since 1973 are obligated to pay for Petitioner's 100% Service-Connected Disability benefits since February 1968, not the downgrading rating locking Petitioner's benefits at the 30% service-connected disability for Asthma/Bronchial.
